## Two CC Industries Present Suitable Clean Air Plans

3 More Hearings Here Next Week; 2-County Program Under Study

Favorable programs to end air pollution at the General Steel Industries and Reilly Tar & Chemical Corp. plants were submitted last night to the technical subcommittee of the city's Air Pollution Control Commission.

A spokesman for the subcommittee said both industries showed they had spent considerable time and money in working out detailed plans.

A bag house for the foundry department at General Steel is expected to be in operation by September or early October, the subcommittee was told by Thomas Ditchfield, works manager, and Charles Albert, chief mechanical superintendent.

The date for the program at Reilly Tar's plant is being presented in a detailed outline to be given to the commission next month, according to Pat Morrison, plant manager.

Next Week's Sessions

The subcommittee has scheduled sessions for next Wednesday evening with representatives of Jenkinson-Wright Corp., Lipsett Steel Products, Inc., and Nesco Steel Barrel Co.

Commissioners earlier gave approval for the clean air program submitted by A. O. Smith Corp., but have rejected the plan submitted by Granite City Steel Co. (except for its new basic oxygen furnaces) and by Union Star & Refining Co.

Clean plans were given American Steel Foundries, National Lead Co., the Nestle Co., Granite City Metal Decorating Co. and A. P. Green Fiberglass Co.

At the Aug. 10 meeting, the commission, headed by Thomas Baker, plans to outline procedures for Granite City to file air pollution complaints.

By that time it is hoped the city council will have approved the commission's recommendation for employment of an acting technical secretary to aid in review of the industries' plans and enforcement of the city's air pollution control law.

The subcommittee headed by Gilbert Sykes, with Thomas Baker, Henry Bieneck and Baker as members, praised the cooperation of industries making presentations last night. The meetings are being held in the mayor's conference room at the city hall.

None of the members are expected to attend yesterday's all-day session of the state Air Pollution Control Board held in Monsanto.

Granite City was represented by Mayor Partney.

Mayor Partney gave his support to the state board's proposal to ban open burning at dumps and pointed out that Granite City's dump costs have decreased since it went to sanitary landfill.

The state board concerned itself mostly with air pollution in East St. Louis and vicinity but did recommend that with the data supplied by the Interstate Air Pollution group, sponsors

## 4 Undergo Surgery

Constance Walker, 2405 Delmar avenue; James Lengyel, 2706 Harvey place; Billie Bosworth, 187 Fourth street; Madison and Linda Coleman, Route 4, Edwardsville, are recovering at St. Elizabeth Hospital from surgery which they underwent since Monday.

## BIRTHS

Births recorded at St. Elizabeth Hospital:

Mr. and Mrs. Chimanbhai Patel, 3308 Lydia lane, July 26, Manisha Chimanbhai, six pounds, 10 ounces.

BOYS  
Mr. and Mrs. David Jankowski, 2800 Fortune drive, July 26, David Ross Jr., six pounds, two ounces.

Mr. and Mrs. Stanley Howton, Rural Route One, July 26, Shawna Diane, eight pounds, 15 ounces.

Mr. and David Batson, 2245 Lee avenue, July 27, David Lee, six pounds, one ounce.

## Missouri Gets Injunction to Halt Madison's Toll

The city of Madison was enjoined from collecting tolls on the Chain of Rocks bridge by a St. Louis circuit judge Wednesday who appointed a receiver to handle all bridge income until a suit by the state of Missouri is settled.

The order came as a surprise to Madison Mayor Stephen Maeras, who complained that the state of Missouri is taking over city property without due process of law.

The city, bridge officials and employees have received no official notice of the legal action as of today, and city collectors were still taking tolls at the collection station on the St. Louis side of the bridge.

The order by Circuit Judge J. Casey Walsh was handed down after plans were made for Madison officials to confer with Missouri Gov. Warren E. Hearnes next Thursday at Jefferson City on the bridge toll problem.

Hearnes' Office Calls  
Mayor Maeras told the Press-Record today that the city received its first word that the suit was being filed through a telephone call to John Githchof, corporate counsel from Gov. Hearnes' office on Wednesday.

"They told us not to be surprised," the mayor said, and that "the governor's office did not know that the suit was being filed for the state highway commission at this time."

Judge Walsh appointed James E. Crowe, former St. Louis city councilman, as receiver to take charge of the bridge toll station as soon as he posts a \$100,000 bond.

A show cause order was issued against Madison for a hearing set for 10 a.m. Aug. 16 in St. Louis.

(Continued on page 16, col. 7)

## Maeras to Confer With Hearnes on City Bridge Toll

Madison city officials plan to confer with Missouri Gov. Warren E. Hearnes about legal matters, standstill concerning Chain of Rocks Bridge tolls, it was announced at the city council meeting Tuesday night.

Mayor Stephen Maeras and John Githchof, corporate counsel, planned to go to Jefferson City, Mo., to forestall any court action as proposed by Gov.

## Stone-Studded, Colorful Mural on New School Attracting Attention

Mixed emotions are being expressed by youngsters who are to attend the new Parkway elementary school and who have sneaked a preview look at the stone-studded mural on the front of the building.

The "old" sixth graders call it "kid-stuff—those little kids playing cowboy and swinging and jumping rope." And the little youngsters think they're "great."

The colorful, 64-foot mural, made from various thin stones of red, blue, green and yellow, shows young girls and boys at play.

Virgil Dulgoff, architect who designed the new school in the easternmost outskirts of the city, commissioned an artist from Michigan to design the lifelike mural.

16 Panels  
After several months of work, dating back to February, the artist delivered the 16-panel stone work on sixteen 4x8-foot panels which made easy installation in only one week.

Dulgoff pointed out the entire design of the school building, which will accommodate 400 pupils, is to make it attractive and to blend with the adjacent Worthen Park playground of the Granite City park district.

More vivid colors had been designed, Dulgoff said, hoped for, but a limited quantity of both the school and the park of marble chips prevented such

Both the school and the park are in the city limits along an

PURPLE HEART MEDAL awarded posthumously to Marine Pfc. Loren E. Bradley is presented to his mother, Mrs. John William Bradley, 2807 Warren avenue, by S/Sgt. Dean R. Lavine, Marine Corps recruiter from East St. Louis. Pfc. Bradley died April 29 of wounds suffered in Vietnam. Mrs. Bradley displays a photo of her son who was 22.

## Purple Heart Medal Given to Parents Of Pfc. L. Bradley

A Purple Heart citation and medal, plus a National Service Defense medal, awarded posthumously to Marine Pfc. Loren E. Bradley, 22, was presented to his parents, Mr. and Mrs. John William Bradley, 2807 Warren avenue, on Tuesday by S/Sgt. Dean R. Lavine, Marine Corps recruiter from East St. Louis.

Pfc. Bradley died of wounds suffered in action last April 29 against Viet Cong forces near Phu Loc in South Vietnam. He had been evacuated to the Navy hospital ship Repose after suffering gunshot wounds.

The Marine had been in Vietnam for 13 months. He was born in Granite City, attended schools here and enlisted in the Marine Corps in 1963.

The Purple Heart award has his name engraved on the back. The citation shows that it was presented "on behalf of a grateful nation."

A Vietnam Service medal denoting service in that war-torn country has yet to arrive. Pfc. Bradley now is buried in St. John's Cemetery here.

## GC Park Board Meets Tonight on Rink

The contract for construction of Granite City's ice rink and recreational center is reportedly near signing. Four park board commissioners and the secretary met last night and adjourned the session to 7 o'clock tonight.

Tonight's meeting will be attended by the project architects since a few remaining details need to be cleared prior to the signing of the contract with Henry Ross Construction Co.

Commissioners report no problems are expected in the extension of the Monday bid date deadline, since Ross Construction Co. received a letter of intent from the park board.

Still to be ironed out is the question of an existing water main under the proposed site. Board Atty. Randall Robertson will report on this tonight.

Taken were a one horsepower electric motor, \$125; a pump and motor, \$75; a 65 horsepower air craft engine, \$150; a battery charger, \$100; a small refrigerator, \$160; five cases of oil, \$45; a set of curtains, \$12 and a small sandwich oven. Windows and doors were forced open.

## SEPARATE PANELS make up the mural at the Parkway grade school and can be seen on the section showing little girls swinging above. Marble chips were hand-set on the panels before being put

## Nameoki Township To Attack Annexation Study Basis of Legal Action Testing Right to Annex Pontoon Road

Nameoki township is investigating a legal basis for challenging Granite City's annexation of the 20-acre Grigby junior high school site, it was announced Monday night.

Harry Briggs, Nameoki township supervisor, told a regular meeting of the town board that he believes the annexation may be nullified by court action because the site was not contiguous to Granite City, requiring annexation of a section of Pontoon road to take in the school area.

Nick Vasilief, township attorney, said he could not give an opinion on the matter until he had checked legal statutes. The town board instructed him to do so and report to the board.

"I cannot say now whether or not it is legal to annex a territory without referendum by taking in the school area to the desired property," Vasilief said, adding, "If such is the case, what would prevent Granite City from proceeding down Highway 162 to annex any territory it wanted?"

Granite City annexed the school area at the request of Granite City school district to permit use of city sewers for the new junior high. To do so it included in the annexation ordinance a section of Pontoon road as far east as the school property.

Briggs said that if an investigation of state statutes indicates any basis for questioning the legal right of a community to annex a road or highway, Nameoki township will file suit in circuit court in an attempt to kill the annexation ordinance.

"Granite City said it passed the ordinance to provide territory over which it could build sewer lines to the school," Briggs remarked.

"They are just trying to pull the wool over our eyes. They could have built the sewer lines without annexing the school property," he added.

The supervisor charged that the school tract was annexed by Granite City to give the city continuity to Nameoki township on two sides of the tract.

Since the law permits annexation of adjoining tracts without referendum, Briggs said, "This clears the way for Granite City to spread out into Nameoki township. If the annexation is allowed to stand, they (Granite City) could take the cream of the crop of Nameoki land and leave us with the drags."

11 DAYS WITHOUT A QUAD-CITY TRAFFIC DEATH

A group of 17 Quad-City area youths is scheduled to report Tuesday to the county selective service office in Edwardsville for armed forces induction for the area's August quota.

On Aug. 18, pre-induction physical examinations will be given to 18 local youths.

17 Quad-Cityans to be Drafted on Tuesday

Another appeal by Mayor Partney for a cut in the \$168,000 special improvement section of the budget, limiting it to last year's \$50,000, the council added \$200 to boost the figure to \$178,000.

The last-minute additions were \$100 for sewer and drainage work in the 3000 block of Madison avenue, recommended by Alderman Sternberg, and \$8000 for curbs in the 2800 block of Center street, recommended by Alderman Robertson.

The new budget is \$443,040 over last year's, and about \$550,000 more than the city's anticipated income this year, since the general tax income is being cut \$277,000 due to the tax rate limitations of the Hodge-Bulter Act being instituted this year.

\$485,000 in Reserve  
Reserve accounts of the city amount to \$389,516 in the sales tax fund and \$95,180 in the parking meter fund, totaling \$484,756.

Voting for approval of the budget were Aldermen Norn, Bassarick, Bartosik, Johnson, Boyd, Dallas, Sternberg, Fry, Parmley, Robertson, Poulos and Green.

Opposed were Rutledge, Walmer, Alderman Robertson, Alderman Moerlen was absent.

A \$40,000 figure for pay increases for the 134 city employees was included only as a total figure, but no breakdown was presented.

Alderman Thompson, chairman of the Personnel committee, said only he felt the budget was unrealistic and added, "It was my grocery store. I'd sure stack the groceries differently."

Traffic Study Falls Again  
Another appeal for inclusion of \$4000 to hire a traffic engineer was made by Alderman Sternberg and Mayor Partney, failed by a vote of 6-to-8.

Mayor Partney noted that many streets in the special improvement project listing were arterial and that the work could be done with motor fuel tax funds provided by the state.

He listed Spruce, Iowa, State, Idaho, Troy, Primrose, Palmer, 23rd, St. Clair, 21st and East 25th. Norn refused the proposal, saying that since most MFT funds already are committed, the projects are far down on the priority list and it would be six to eight years before they could be carried out. Alderman Parmley also stated he wanted the projects in the Sixth Ward carried out as quickly as possible.

Later in the meeting the council approved a call for bids for the street resurfacing work.

Special Projects by Wards  
Partney, in a letter to the council listed the total amount of special projects by wards — \$6826 in Ward One, \$8500 in Ward Two, \$1810 in Ward Three, \$21,793 in Ward Four, \$34,115 in Ward Five, \$37,400 in Ward Six, \$35,228 in Ward Seven and \$25,235 in Ward Eight.

He suggested that with limitation of the special projects to a \$30,000 figure, council committees could decide where the work was most needed.

"Try to stay within our budget for the coming year so we do not have to cut the services our taxpayers are accustomed to before the year 1968 ends," he stated.

The mayor also called for re-instatement of three items in the sanitation department which

(Continued on page 3, col. 3)

## Firebug, Thieves Hit Venice School : 18 Hours; \$1200 in Loot

Office Machines Stolen; Match Tossed in Storage Room Causes \$500 Loss

A fire apparently caused by a match-tossing vandal and a safe-cracking and burglary in which \$1200 loot was taken, plagued Venice public school officials this week.

The fire which caused damage estimated at \$500 occurred at 2 p.m. Monday in a newly-constructed storeroom in the school.

Pier said the thieves removed a set of keys from his desk drawer to open other desks, from which they took a \$10 checker, and then returned the keys to their proper place.

The fire was discovered about 2 p.m. Monday in a newly-constructed storeroom containing paper towels and janitorial supplies.

Pier said Janitor Gus Rehms had been working around the storeroom and the door was open at 7 p.m. the fire started. Earlier in the day, Rehms had discovered a fire in a waste can on the second floor of the school.

Says Fire Was Set  
Pier said he is convinced that a match was thrown into the storeroom and said an investigation of the incident was being made. Security was being working in the building, helping the janitor clean up the school in preparation for school opening Aug. 28.

Vandalism Enter School, Cut Principal's Chair

Vandalism hit Maryville school and vented their ire on the principal, Owen Humphrey, by slashing the covering on his swivel chair.

The break-in was discovered Monday afternoon by Humphrey, who reported to police that a quantity of ink pens and red ink markers were missing.

Enter gained through a window which apparently had been left unlocked. Papers were scattered on the floor in the kindergarten room and several bars of soap were broken and modelled.

Two cases of soda water on the floor and tramped on.

Burglars gained entry by breaking a pane of glass window and a door on the north side of the building. They then stood on a concrete block to crawl through the window opening.

Pier told police the burglars took a calculating machine worth \$75, an electric typewriter valued at \$375 and a \$10 check out of a desk drawer.

In the teachers' lounge on an upstairs floor, a soda machine was broken open and \$2 worth of cash was taken out of the coin box. Two cases of soda water were hauled away, and the thieves also took a radio clock, valued at \$20, out of the teachers' lounge.

A safe in Pier's office was broken open and the combination knocked off. Because of petty pilfering in recent weeks, Pier said, \$800 worth of checks had been removed from safe the day before the burglary. There was nothing of value in the safe.

(Continued on page 5, col. 6)

## Quad-City OEC Offices In New Venice Quarters

The Quad-City district office of Madison County Economic Opportunity Commission has moved from the city hall at Venice to 800 West Street, a site formerly occupied by a grocery store.

The Quad-City office is managed by David Walker, director of the district's antipoverty programs.

(Continued on page 3, col. 3)

### Aug. 1 Date Postponed

## City Preparing 1st Bills For Sewage Plant Users

The first sewage treatment plant bills will be mailed to Granite City households and are similar to those sent to Nanticoke sewer system users. "Sometime in August," according to Robert Stevens, city controller.

An Aug. 1 deadline on mailing the bills cannot be met, he said, as an addressograph machine and address tabs have yet to be delivered to the city hall.

About 9000 bills, along with a letter from Mayor Partney explaining the treatment plant program, will be sent to cover the first quarter of the fiscal year, May through July.

The fees are \$2.70 per quarter for single family residents, \$2.70 per quarter for each living unit in a multiple family dwelling; and a minimum of \$2.70 per quarter for business, industrial and commercial users or on the following volume basis:

**Volume Rates**  
First 30,000 cubic feet per quarter, 22 cents per 100 cubic feet; next 30,000 cubic feet per quarter, 20 cents per 100 cubic feet; next 81,000 cubic feet per quarter, 16 cents per 100 cubic feet; and the next 81,000 cubic feet per quarter, 12 cents per 100 cubic feet.

Volumes will be determined by water meter readings. If bills are not paid within 10 days after they are mailed, a 10% penalty will be added.

The bills are printed in card form, with a perforated stub to be returned with payment, and are similar to those sent to Nanticoke sewer system users.

The stub will list the account number of the user, and in the case of the single residence dwellings, the service charge of \$2.70 is printed. The larger part of the card will contain the name and address of the user. When payments are mailed, only the stub need be enclosed.

**Code System**  
Code numbers for single dwelling users will list letter designations of A, B, D, E, F, G, H, J, Q, R or V, followed by numbers of 100 to 999.

Multiple dwelling code numbers will list letter designations of C-100 to C-433; service stations, S-100 to S-139; public buildings, P-100 to P-139; barber and beauty shops, P-500 to P-538; and utility and off-hand industries, U and Y categories.

The mayor's letter explains that both the owner and occupant users of any premises using the Granite City sewer system are jointly and severally liable for the payment of the sewer service charges.

If bills are not paid within 10 days, the property will be subject to a lien, and penalties and costs of filing and releasing the lien shall be charged against the owner and occupant of the premises.

## Labor, Material Limitations to Cut Spending by SIU

Southern Illinois University could spend less than half the amount it is asking to purchase land and buildings for its campuses in the next two years, the Illinois Board of Higher Education was told at a meeting this week in Chicago.

John S. Randleman, an SIU vice-president, said the university could spend only \$20,270,000 of the \$129,644,500 it is asking in state funds.

The university needs all of the money, he told the board, but it could not spend all of it because of limitations on contractors, labor and materials available.

Randleman was complimented by Ben W. Heineman, board chairman, for his forthrightness.

Randleman outlined 38 proposed projects for SIU's Southwestern and Carbondale campuses, then said only 13 of them could be started in the two-year period. If present is followed, the board in future meetings will trim the requests of the schools.

**\$66 Million Requests**  
The board heard requests for a total of \$65,938,459 from senior and junior colleges in the state during the next biennium, appropriated \$50,000 to \$75,000 in state funds for each of the next three years to permit expansion of an experimental teacher training program in the Southwestern campus center area.

The program, also financed by a \$214,310 grant from the Office of Economic Opportunities, is designed to show teachers how to work with underprivileged high school students.

**Institute for Deaf**  
The board also approved a request by the University of Illinois to establish a National Technical Institute for the Deaf at its Chicago Circle campus.

It allows the U. of I. to seek a contract with the U. S. Department of Health, Education and Welfare which would provide federal funds of \$18 million to cover construction. The institute would house and educate about 600 deaf students from throughout the U. S.

Hearings began on requests from six state institutions totaling \$182,874,904, based on projected full-time student enrollment during 1967-69.

They are Eastern Illinois University, \$18,315,740; Illinois State University, \$25,284,424; Illinois Teachers College, Chicago North, \$15,050,000; Illinois Teachers College, Chicago South, \$48,103,000; Northern Illinois University, \$55,449,902; and Western Illinois University, \$20,759,836.

## Andrew Mathenia, 55, Dies; Former Resident

Funeral services were held Sunday in Vienna, Mo., for Andrew Mathenia, 55, a former 40-year resident of Granite City, who died July 20 when he suffered a heart attack while driving home from the Jefferson City (Mo.) Penitentiary where he was employed.

He had stopped at a supermarket for some grocery supplies only a few miles from the penitentiary, and then continued on the highway to Vienna, Mo. where he lived. Moments after his departure he was stricken with a heart attack and lost control of his car. He died in the ensuing crash off the road embankment.

Mr. Mathenia was employed as a craneerman for 20 years by the Granite City Steel Company during his residency here. He lived in Vienna for two years after moving from California.

Surviving are his wife, Mrs. Betty Mathenia, a son, Edgar M. Mathenia, Granite City; a daughter, Mrs. Carol Lee Jones, Ferndale, Calif.; a sister, Mrs. Vera Anderson, Granite City; and three grandchildren.

Funeral services were held Sunday in Vienna.

## Seventh Commandment To Be Sermon Topic

Rev. R. Paul Sims, who has just returned from a vacation in New England, will resume a series of sermons on the Ten Commandments in the morning worship services at Niedringhaus Memorial Methodist Church. He will speak on the Seventh Commandment and the general theme, "A Christian Attitude toward Sex" at 8:30 and 10:40 worship services Sunday.

The informal evening worship hour will be held in Wesley Hall at 7:30.

## Two Stop Sign Charges

Dennis C. DeMontrollin, 2843 Myrtle avenue, and Linda L. Caruso, 2417 Sunbury avenue, were charged with violating a stop sign at Edgewood drive and willow avenue at about 8:30 p.m. Tuesday. They were summoned for hearings by Aug. 5.

## MORE ABOUT Maeras to

Hearnes, to remove tolls from the city-owned bridge.

The meeting was arranged by telephone by Gitchoff, who attended college with Gov. Maeras and knows him personally. Mayor Maeras said no efforts will be made on the city's part to seek the assistance of Illinois Gov. Otto Kerners unless talks in Jefferson City fail.

Mayor Maeras remarked that "I hate to see a lawsuit because of the animosity that arises."

"We would like to go out of (the bridge) business with good feelings between both states. I understand that Hearnes is personally concerned because there is pressure on him over the delays in opening the Interstate 270 bridge."

**Operating Legally**

Maeras said, "We feel we are operating under Illinois law and the Congressional act legally, but we don't want to create hard feelings with anyone."

He noted that a preliminary study of the toll structure and of the bridge's financial situation is now being made by the Army Corps of Engineers. He said the city has provided complete financial and legal records to the Engineer Corps to aid in the study.

The mayor said that, even with court action by Missouri, the study by the Corps of Engineers would still be necessary, as the Secretary of the Army still has the responsibility of approving toll changes on the bridge.

He described a precedent, when this procedure was used to increase tolls during World War II, when a gasoline rationing curtailed bridge traffic and income, jeopardizing bond retirement.

Maeras again noted that the laws do not require that bridge tolls be reduced or eliminated, but that revenue is lost by the 50% of the investment of about \$3,000,000-\$3,500,000 a year.

The city is permitted to set revenues at 5% of its original cost, about \$2,300,000, plus capital improvements that have exceeded \$700,000. The limit did not apply prior to the end of the 25-year bond retirement schedule in 1964.

**See Decline in Use**

The bridge now averages 9000 vehicles a day, and with tolls at 10 cents, this traffic volume would produce \$28,500 annually. But with the opening of the adjacent Interstate free bridge, traffic will decline and city tolls will be insufficient, probably forcing the bridge to close, the mayor said. The new four-lane bridge, which may open in September, is only several hundred feet north of Madison's bridge.

However, he added that the city will continue to operate the bridge through the rest of the 1966-67 year to determine what the results will be.

Mayor Maeras concluded that "we do not feel that Missouri authorities have any jurisdiction over Illinois. We're not being disrespectful; we're just standing up for our rights."

**Maintain Depositories**

In other business, the council agreed to continue to deposit its \$2½ million in surplus bridge funds in local banks at 4½ interest. Nick Vassileff, city attorney, presented a legal opinion that it would be contrary to state statutes to use out-of-state financial institutions as depositories for the fund.

Some St. Louis banks are offering up to 5½% interest, it was noted previously.

Instructed the firm of Shepard, Morgan & Schwaab, city engineer, to update the city's permanent street program for improvement of additional streets next year with motor fuel tax funds. The mayor added that the city accumulates \$35,000 to \$40,000 a year in MFT funds.

**Plan New Playgrounds**

Referred to the city playground and recreation commission a resolution to recommend areas in West Madison and in East Madison for development of new playgrounds.

Mayor Maeras said about two acres of the city's industrial park could be used for this purpose, and that the city has playground equipment on hand which could be used at new centers.

Approved purchase at an auction of a slightly used cutting saw at a cost of \$250. The mayor said it could be used for various purposes, including rescue of trapped traffic accident victims, and by the street department.

Initiated plans to attend the 53rd annual Illinois Municipal League convention Sept. 17-20 at Chicago.

**Madison Rotary Plans Picnic Aug. 3 at Lake**

Plans for a Madison Rotary club picnic next Wednesday at the Dunlap Lake home of Harry Thebaud were completed at yesterday's luncheon meeting. Swimming, boating, games and an evening meal are planned.

Attendance competition will be launched the following week Aug. 10, Vice-President Harvey Miller announced. Program Chairman Larry Palkes presented a film, "The Stranger Secret," in which Earl Nightingale outlined a personal success plan stressing individualism rather than conformity.

## Planning is Big Item for Statewide Sports Jamboree Here Next Week

"Can you imagine making 900 beds?"

This is not just a thought, but a substantial fact. For when the 574 participants and parents arrive next week for the Illinois Youth Sports Jamboree at the gymnasiums of Granite City high school and Coolspring junior high will be turned into the largest dormitories in the metropolitan area.

In a Monday night meeting of the Illinois Youth Commission and both the Granite City and Illinois Jaycees, topics such as this covered the schedule of events for the track and field meet to be held here next week from Aug. 14-16.

Herbert Siebert and Boyd Presley, co-chairmen for the program, discussed with their committee members and officials over 20 projects which must reach completion before the arrival of the Illinois youths, who are qualifiers advancing from 12 sections throughout the state and representing 18 towns.

Legislative chairman William Herbert mentioned that two workers from the Illinois Youth Commission, Robert Kitchin and Jo Anne Woods, were doing "an excellent job in taking care of our office duties. If I give them a small job, it's done in two hours — a bigger one and it's

ready by the next morning."

**Biggest Task—Medical Checkups**

The biggest task to date, no doubt, has been the filing and approval of the medical slips for the participating girls and boys ranging from 10 to 15 years-old in specific age groups. Each athlete must have a physical examination before entering the three-day competition.

Upon entrance into the "dorms" and after getting settled next Thursday night, box lunches will be served to early comers and late stragglers. Regular cafeteria service will be available on Friday and Saturday, according to Jim Jeffries, food and cafeteria chairman.

For the first time in the 11-year history of the jamboree, train transportation will be used to bring in a large proportion of the contestants.

**200 to Travel by Train**

Approximately 200 youngsters, more than a third of all those entered in the jamboree, will be arriving in Granite City on the Gulf, Mobile & Ohio train from Chicago at 5:11 p.m. on Thursday. Most of them will board in Quincy, Chicago, with additional passengers joining the group at stops in Joliet, Bloomington and Springfield.

Thursday evening's already prepared meals are necessitated since all other contestants are night meeting, held at the Tri-

By Press-Record Staff Photographer

**TROPHIES** will be presented next week at the Illinois Junior Sports Jamboree in Granite City are displayed by George Fuchs, former program and membership chairman of the Granite City Steel Management Club which is donating the awards.

Traveling by chartered buses from points such as Rockford, Quincy, Champaign and Carbondale, picking up other finalists in towns along the route.

John Lakin, committeeman on the facilities and equipment board, reported at the Monday

be made available for the three-day event. Two frequencies will be "used" for separated lines for the tournament official, and the starting and finishing points of the races at the high school track field.

George Fuchs, representing the Granite City Steel management club, said that the organization has donated five 20-inch trophies for the outstanding boy and girl athletes, the best boy and girl sportsmanship performances, and for the outstanding city—not necessarily the biggest or the winning representation.

Still, all 574 participants in the annual contest will receive awards because they are all winners as finalists representing their own sectional meets.

In the final speech given in the two-hour confrontation at Tri-Mor, Paul Morris, meet chairman, stated that "the rain has helped the track considerably compared to our local meet when the ground was hard and dusty. In addition to this, we are receiving 'top-notch' talent from persons who are vitally interested in helping us to make this meet a success."

With plans such as these, and dedicated personnel such as the men and women from the Jaycees and Illinois Youth Commission, what else could the sports jamboree be but successful?

**Granite City PRESS-RECORD**  
Thurs., July 28, 1966 Page 3

and accounting, \$30,610, up \$12,131 to buy automatic accounting equipment; treasurer office \$4620, up \$70; legal department, \$18,200, down \$5400; city hall, none, down \$5530; magistrate's office, none, down \$120. Air pollution committee, \$25,000, up \$25,000; sewage treatment plant operation, \$160,982, up \$180,982.

Also included in the budget is \$40,000 to give pay increases to 134 city employees. This represents a \$40,000 increase over last year. When the amounts are decided, the departmental totals will be inserted.

## Start of Train System in Arch Now Set Sept. 1

Hopes of the Bi-State Development Agency to start a new transportation system in the north leg of the Gateway Arch during the principal part of the 1966-67 season have been slimmed by the strike of sheet metal workers, now in its 28th day.

Col. R. E. Smyser Jr., executive director of the agency, told the Bi-State board of directors yesterday afternoon that the next target date for starting the transportation system is early in September, assuming the strike is settled within the next week.

The Bi-State Agency earlier authorized additional payments to the contracting firm to speed up completion of the installation by overtime work, to permit open the system for use by August. Smyser explained expenditure of the additional fund of approximately \$27,000 still will be necessary for opening on the new target date of Sept. 1. Without the extra work, he said, the probable completion date would be Nov. 20.

The agency authorized application to the government for a Civil Defense grant for purchase of an additional 100 two-way radios to be installed in Bi-State Transit System buses as a means of protection for drivers, as well as an additional Civil Defense measure. Bids are to be opened Monday on the purchase of 50 such radios and a central receiving headquarters to inactivate the system.

Board members also approved resolutions authorizing a transfer of funds to repay working capital, for establishment of all necessary bank accounts for approaching operation of the Gateway Arch transportation system, and extending permission to the assistant director to handle administrative matters in the absence of Col. Smyser.

**New Airport Work**

Col. Smyser reported that work began last week on the second phase of a federal grant for runway improvements at Bi-State Park Airport in Cahokia.

Officials of the Bi-State Transit System reported that an upward trend in the number of passengers riding Bi-State buses was noticeable during May and June, which increased revenues above the budgeted figure, with expenses remaining about the same as those budgeted.

Bus fares in June amounted to \$1,568,360 compared to the \$1,553,000 budget figure, it was reported. This increased to \$7,804,491 the total amount of bus fare revenue from March 1 to June 30, compared to \$7,575,393 anticipated in the budget for the same period.

For the same month, however, expenses ran slightly ahead of budgeted figures, amounting to \$1,736,137 in June for a total of \$6,985,101 from March 1 to June 30. Budget figures for expenses for June were \$1,717,000 and \$6,968,376 for the four-month period.

S. Carl Robinson, manager of the transit system, told the board that during the early July heat wave the transit system lost from \$30,000 to \$35,000 in fares because people kept their movements at a minimum.

## MORE ABOUT \$2,340,148 Budget

were removed from the budget last week.

His recommendation was \$4000 for spray chemicals and \$5000 for a new insect fogging machine and a station wagon.

**Too Much Spray?**

Alderman Boyd, chairman of the Sanitation committee, raised objections. He said the city bought 10 barrels of spray in June 1965, and that he learned the city of Alton uses only two barrels a year. "It looks like we ought to have enough for several years," he commented.

A council request was made for Controller Stevens to submit a report on purchases of the chemicals in the past two years, and inventory.

Boyd asked City Inspector Jack Fricker if there wasn't a barrel of city spray at Sunset Hill (the city's Hill Pentecostal campgrounds). Fricker replied there was not.

Mayor Partney said the camp was supplied with several gallons of insect spray last year. He pointed out it had been a policy of the city administration to send the spray machine to the camp before its session ended July 1.

"This has been done for about 10 years, but I do not send the sprayer out of the city limits," Partney said. "A large number of Granite Cityans own cabins at the camp."

Mayor Partney also recommended the \$15,000 item of special improvement for a fence along Federal Aid Route 151 through West Granite and Lincoln Place be eliminated until next year's budget, since road construction will not be carried out until then. The suggestion was rejected.

A breakdown of the new budget follows: Legislative, \$11,135, up \$4069; executive, \$16,995, up \$209; li-

tenance and accounting, \$30,610, up \$12,131 to buy automatic accounting equipment; treasurer office \$4620, up \$70; legal department, \$18,200, down \$5400; city hall, none, down \$5530; magistrate's office, none, down \$120. **Tax Payments Near \$2,000,000**

Total tax payments to date amount to \$1,882,392, Granite City township collector E. R. "Pat" Rich said today. The collection of 1963 personal property and real estate taxes is about \$2,000,000 behind the total at this time last year.

Thus far, \$1,677,628 has been recorded for real estate taxes, while personal property payments amount to \$304,763. Last year's 1964 total at this date showed \$2,078,378. Two percent of all benefits go to the city.

Rich pointed out that the big industries have yet to make their payments.

The local office is open Monday through Friday at the city hall from 8 a.m. until 5 p.m. The last day is Aug. 19.

**Four Divorces Granted In Circuit Court Here**

Four divorce decrees were signed Wednesday by Associate Judge Fred P. Schuman in the Granite City division of circuit court.

Shirley June Barry from Ronald Eugene Barry, both of Granite City. They were married Sept. 25, 1954, in East Alton, and separated last May 25. Cruelty was charged. Custody of two children was granted to the mother, and the father was ordered to pay child support of \$80 per month.

Marie T. West from Robert T. West, both of Granite City. They were married May 23, 1945, at Henderson, Ky., and separated last July 4. Cruelty was charged. Custody of two minor children was awarded to the mother. The father was ordered to pay \$70 per month child support plus \$400 per year for college expenses for one child.

Edna L. Pickler of Granite City from Orville Eugene Pickler of San Diego, Calif. They were married Oct. 8, 1955, at Farmington, Mo., and separated May 19, 1963. Desertion was charged. Marcella Rick from Martin Rick, both of Granite City. They were married Nov. 18, 1958, and separated last May 10. Cruelty was charged.

**Tri-City Park**

MRS. LEOA TUCKER  
1234 Edwardville Road.

**VISIT IN TENNESSEE**  
Mr. and Mrs. Malcolm Wallace and children Clarence, Darlene, Patricia and Candy, 1229 Edwardville road, returned home Tuesday from a few days' vacation in Clarksville, Tenn. They visited his brother-in-law and sister, Mr. and Mrs. Thomas Hancock.

Mr. and Mrs. Ralph Hulvey, 1926 Fifth street, East Madison, returned home this week from a seven-day vacation on their farm at Briar, Mo.

## Reapportionment Protests Voiced By Supervisor

A plea to "the people as well as township officials" to oppose reapportionment of Madison and other Illinois counties was made Monday night by Harry Briggs, supervisor of Nameoki township, in a meeting of the Nameoki town board.

Briggs said that he was making the statement "for the record" because the time has arrived when "everyone is going to have to get into the fight" as a means of "saving home rule" from complete usurpation by the state government.

The people as well as town and county officials are "going to have to go to their state representatives, their congressmen or anyone they can find to present a move that can take away the rule and place the ordinary procedure of town government into the hands of state agencies," Briggs told the meeting.

Obviously addressing his remarks to delegates at Nameoki citizens group, attending the board meeting, Briggs said: "We have our own problems and our disputes, but when they are all settled, we still have our government rule right here at home."

"We don't have to go to Springfield to get the answers to any questions about what we want here at home. But if reapportionment, as they are talking about it now, is accomplished, we won't have any kind of home rule."

### To Be Appealed

His remarks were in reference to a ruling by the DeWitt county circuit court two weeks ago holding that a severance tax apportionment disparity between Farmer City and another township is in violation of the 14th amendment to the Illinois Constitution. The case is being appealed to the U.S. Supreme Court and the decision is expected to determine the future action of the Illinois Legislature in reapportionment procedure.

The amendment, with its "equal protection" clause, is the basis for the U.S. Supreme Court's recent "one man, one vote" ruling for state legislative apportionment.

Briggs said that the Illinois State Association of Supervisors has scheduled a meeting in August and that "the main topic will be the reapportionment problem."

He said he will attend the meeting and will bring more information back to the Nameoki town board.

"If the Supreme Court upholds the circuit court ruling in DeWitt county," Briggs said, "there is no question that the next legislature will do something to change the alignment of county board districts."

### 13 to 1 Ratio

Madison county's 1960 census figure was 224,689, setting an average representative ratio of 134 to 1 for each of the 49 county board members. The lowest population for a board member's district is 490 and the highest is 6,679, which makes the corresponding ratios 490 to 1 and 6,679 to 1. Since 6,679 is 13 times greater than 490, the smallest district therefore is 13 times better represented than the largest.

First step toward legislative action on reapportionment already has been announced by State Rep. William A. Redmond, Democrat of Bensenville, who said he is preparing a bill to be introduced in the next session of the General Assembly. He said the move has the full support of the Illinois Taxpayers' League which has made two intensive studies showing how bad the situation is in some counties.

The bill is revised from one Redmond introduced in the last session. That bill made it through the House but died in the Senate when the session ended.

The new measure would make it legal for counties to reapportion on a population basis, which is not currently allowed by the state constitution.

**Abolish Town Lines**  
The bill would abolish township lines as the basis for determining the number of supervisors and would allow the county to re-district the county as it deems necessary.

It also reduces the number of supervisors to a maximum of 50, an effort to streamline county boards which Redmond claims are now too large to operate effectively.

A salary is provided for board members instead of the present per diem fee and provides the board chairman be elected "at large" from the county instead of by board members. This, Redmond said, would permit the chairman to serve the county instead of pleasing board members.

Redmond said that he realizes some counties may balk at reapportionment, but that he is working on a provision in the bill that would force them to do so.

### Speeding Charge Filed

Hershel W. Trasher, 2675 Highway 3, was arrested at 9:15 p.m. Tuesday at 2500 Madison avenue on a speeding charge. He was summoned for a hearing by

## School Insurance Competition Cutting Costs Dramatically

"It was agreed that specific firms should be prepared and bids solicited at the end of the three-year period for a package insurance program for the district."

This statement placed in records of the Granite City school board this summer, is a major indication of its intention to put all aspects of its insurance coverage on a competitive basis.

The package policy includes fire and extended coverage, boiler insurance, musical instruments, equipment, automobile physical damage and liability comprehensive liability, blanket employee bond and robbery and burglary insurance.

The transition from handling the school insurance by the Tri-County Independent Insurance Co. Agents has not been accomplished overnight, but it could not be done that simply.

Policies expired at random times and, in some cases, advance preparations have been necessary to get back into the district about two years from now—a year ahead of time to begin obtaining property appraisals. Another factor which recent months has been uncertain by the board over whether to make the insurance complete.

### Division of Business

Principal advantages of delegating insurance needs to the independent Insurance Agents exchange were that it took the "exchange" of policies as far as the schools were concerned, in some ways reduced the school administrative burden; and divided the insurance business among the member agents in what was considered a fair manner, based primarily on their volume of non-school business.

Various policies went to specific firms, but the amount of business over a three-year or five-year period (tended to even out).

It was pointed out that rates were set by the state, making it difficult to achieve competition. This remains true to a degree, but numerous agents have demonstrated their ability and willingness to disregard the manual and submit lower bids.

Net results of bidding, even though the transition is not yet complete, has been a steady lowering of costs to the school district, accompanied simultaneously by a steady broadening of the kind and amount of insurance coverage. New types of insurance, including public and institutional policies, have been placed in effect.

Indirectly involved is the rivalry between employees of mutual insurance firms on the one hand, and independent agencies which handle numerous stock insurance companies, on the other hand. The mutuals at one time did not hold membership in the exchange and thus were excluded from school business. This was changed in the early 1960s, when the number of insurance participants was increased to 32.

When bidding first enabled some mutual companies to obtain school policies, some of the agents in the exchange fought back with mutual bids of their own.

Stock companies stressed that they submitted firm bids and seldom canceled policies despite occasional losses; mutuals said their policies' potential dividend would greatly decrease net costs.

### Mutual Stock Rivalry

With little time left before expiration of the existing coverage, the school board decided on cancellation of any new policy would be costly, the board decided to award the policy for the next three years. After the three years, there will be full open bidding. Even before then, all other types of school insurance are being awarded competitively, except for coverage of small student groups making out-of-town trips.

At one time, the school district had so diversified itself of insurance worries that it learned

little more than who was issuing a particular policy and how much the agent should be paid.

Now, the school staff is equipped to handle all phases—preparation of specifications, the call for bids, receipt and opening of bids, analysis of the proposals and preparation of recommendations to the board.

**Insurance Know-How**  
In the process, administrators have become knowledgeable in the complexities of the insurance field. Their review of package insurance in June filled a 18-page report to the board.

Dramatic reductions in insurance costs have resulted, sometimes slashing 50% from previous expenditures. (A spokesman for the exchange says it believes the trend toward reductions was well established while the exchange was still handling the program.) Fewer agencies now provide insurance for the school system, and profit margins are less.

Agents say the long-range trend may be destructive to the cost of agents working for customers rather than working for an insurance company.

### Deadline Pressure

## Deputy Tells Why He Quit, Blames Boy

A former county night rider claimed he resigned last week because he refused to take orders from Sheriff Barney Fraundorfer's 14-year-old son, who was filling in on a job as dispatcher.

Steve Lakin of Wood River, who previously was suspended for "insubordination," said he resented taking orders from the boy who serves as a part-time radio dispatcher at the county jail, leading to a conflict with the sheriff.

The sheriff said his 14 and 18-year-old sons and his wife work part-time at the jail without pay because of a lack of a sufficient staff, and that the boy does other jobs, including the typing of reports by deputies.

Lakin, who said he preferred to talk to the regular dispatcher or deputy in charge, added that in his opinion a boy of 14 has no place in police work. Lakin was suspended after failing to respond to a call, which the sheriff said was a direct order given by him through his son. The sheriff said the boy is highly intelligent and is qualified to conduct radio duties.

### Country Club Re-opening Postponed to Sunday

Cleanup of the \$10,000 blaze at Sunset Hills Country Club is taking longer than expected, and it is hoped the 18-hole golf course and swimming pool will re-open for members on Sunday.

Adjusters are still inspecting the ruins of the older section of the 42-year-old structure to determine a more exact loss figure.

## County Fair Still Busy During Last Three Days

Almost five days of varied activities have already taken place this week at the annual Madison County Fair, but fair-goers still have a lot to look forward to if they attend the Highland spectacle tonight, tomorrow or Saturday.

This evening at 8 p.m., a "demolition derby" will be featured at the Lindendale Park racing grounds.

The Triangle Dog Club of Edwardsville will present a free show of dog obedience demonstrations and an all-breed exhibition on Friday afternoon at 1:30 p.m. Friday evening's highlight will be the Western Horse Show, featuring the Westerners singing group and the 4-H Saddles Drill Team, beginning at 7 p.m. Tonight an orchestra will provide the music for dancing, while on Friday eve there will be square dancing with live music and Bern Aubuchon doing the calling.

Charles H. "Chuck" Percy, Illinois Republican candidate for Senator, will speak this Saturday afternoon at the fair. With him on the platform will be the Republican county candidates, as well as Ray Page, state superintendent of schools and Harris Rowe, Republican candidate for treasurer.

The carnival, which includes rides and concessions on the midway, is scheduled to end Saturday.

### State Mental Health Group Seeks County's Aid

The Illinois Association for Mental Health announced today that its Madison county organization drive scheduled for September will begin immediately. "Our change of plans," said Mrs. Schmitt said there can be no delay in establishing a broad-based voluntary citizens organization in Madison county which would be devoted to the problems of the mentally ill. She pointed out that a temporary chairman will be selected and a public meeting will be called within a few days to determine essential goals.

PRESS-RECORD SPORTS

Page 6 Granite City PRESS-RECORD Thurs., July 28, 1966

Two Area Twinbills On Inter-City Slate

Two doubleheaders will spice Southwestern Inter-City League action Sunday. Both will be played locally.

Maryville will invade Wilson Park at 1 p.m. to meet Mercer, while Pocahontas will visit Mitchell A.C. at Mitchell school for the other twinbill, also at 1 p.m.

Hearts-Liberty Home will travel to Jones Park for a 2:30 p.m. affair with East St. Louis Polish-American. Elsewhere, East St. Louis Harper is at East Alton, and Troy at Collinsville, both runners in the Red Division.

Both twinbills are a result of earlier rain-out games. Mercer was washed out at Maryville April 24, and Mitchell at Pocahontas a week later.

In both instances, the visitor Sunday will be the "home" team in the bottom half of the doublebill.

Mitchell Can Help Mercer

Circumstances of the schedule, and of the current Blue Division race, find Wendell Corey's last-place Mitchell team an unexpected ally of top-running Mercer.

To pull up in the race, Mitchell must beat Pocahontas. But it doing so Mitchell would pull the Braves away from their second-place crowding of Mercer.

This wouldn't hurt Mercer manager Don Crabtree's feelings, but it's safe to assume Mercer won't be looking for favors from anyone else.

Merchants and Mathews Win in Classic League

A forfeit win for Mathews Chevrolet improved its Wilson Park Class A League mark to 10-1 Tuesday night. The Merchants made their record read 7-4 by edging Kirchner's 4-3.

The forfeit loss put Granite City Steel Credit Union at 3-8. Kirchner's now holds a 2-9 league record. One more round of games remains.

The Merchants victory was earned in the fifth. Norm Gore doubled, and two errors led to a pair of runs. Earlier, Tom Tindall and George Sykes had singled as the winners scored a pair of runs.

Larry Williams' triple and doubles by Rocky Doss and Bob Page led to three first-inning tallies for Kirchner.

Mitchell Girls in Heroic Clutch Win

Losing 11-7 in the bottom of the seventh, Mitchell pulled a 12-11 win out of the coals to down Alton Monday night in Macoupin-Jersey-Madison Girls' League softball action at Mitchell.

Joan Minnick tripled with two, Stephanie Conko doubled her home, Linda Brown grounded out and Kay Johnson tripled to tie the score. Then Jenny Conko singled and Miss Johnson went home on the play. Mitchell is now 3-6.

Must' Game for Mercer Juniors

As far as Clarence Henry's Mercer Juniors are concerned, the Macoupin County Junior High League race is down to the wire Sunday.

Their last league game at Carlinville first came at 9:40. If they take the 2 p.m. affair, they're in St. Louis Southwest Kiwanis is 8-1, it plays its last game at Sorrento Sunday.

Should the Mercer Juniors lose and St. Louis win, it will mean a playoff game to see which squad enters tournament action.

As for tournament involvement, an interesting possibility exists. The Mercer team has a chance to take both the Illinois crown and the Missouri championship, too—by virtue of having the St. Louis team in the loop. But first, Sunday.

In other league activity Sunday, Bethalto is at Bunker Hill, Wilsonville at Alton and Gillespie at Brighton.

Event Begins Here Week From Today 41 Field, Track Events for State Junior Sports Jamboree

The 302 boys and 272 girls arriving here for the Aug. 4-11 Illinois Junior Sports Jamboree represent competition held in 192 different cities.

An estimated 50,000 youngsters competed in this year's Illinois Youth Commission-Illinois Jaycees sports program. There were 12 sectional meets.

Locally, four winners were victorious in the June 25 sectional meet at Alton. They are: Midget Girls—Debra Johns, first place, baseball throw; Junior Girls—Anna Schilling, first place, 75-yard dash; Midget Boys—Jack Scarborough, first place, 75-yard dash; and Intermediate Boys—Tom Reynolds, first place, 100-yard dash.

The state finals, being held here for the first time, will find the youthful Olympians competing in 18 field and 23 track events.

There are three divisions of competition—Midget (10-11), Junior (12-13) and Intermediate (14-15). Age is determined as of Aug. 31.

**Clinic Scheduled**

One of the more interesting aspects of the three-day event is a track and field clinic for all contestants at 11 a.m. Friday, Aug. 5. This will familiarize contestants with both the rules and fundamentals of various events.

Although necessarily brief, it is nevertheless felt that the clinic is worthwhile.

**Trophies Being Sorted**

Unpacking, assembling, and sorting 708 trophies of various shapes and sizes is one of the many detailed duties being undertaken by the Granite City Jaycees in preparation for the jamboree.

Gleaming trophies in graduated sizes will be presented to the winners of the first six places in each event, and miniature loving cups will go to the six finishers.

Every child in the meet will be introduced to the audience and receive an award at the ceremony which will conclude the jamboree on Saturday afternoon.

**Kerner, Other Officials Here**

Moving through the winner's arch in a continuous line, the youngsters will receive their trophies as their names are announced, and will march on across the stage for a congratulatory handshake from Gov. Otto Kerner, Illinois Youth Commission Chairman John A. Troike and Wayne Kerner, president of the Illinois Jaycees.

In addition to the individual awards, five special awards for outstanding performance and conduct will be presented at the start of the ceremony by representatives of the Granite City Steel Management club.

The awards, traditionally granted by civic groups in the host city, will be for the outstanding girl athlete, outstanding boy athlete, sportsmanship, and outstanding citizen. The city award is based on performance, sportsmanship and conduct both on and off the field.

The events, and the records they will set, are as follows:

**Track Events**

Midget Boys — 50-yard Dash :6.0; 75-yard Dash :8.7; 100-yard Dash :12.4.

Junior Boys — 50-yard Dash :5.8; 75-yard Dash :8.5; 100-yard Dash :12.4; 440-yard Relay :48.5.

Intermediate Boys — 50-yard Dash :5.5; 100-yard Dash :10.0; 220-yard Dash :22.2; 800-yard Run :2:02.8; 440-yard Relay :48.1.

Midget Girls — 50-yard Dash :6.2; 75-yard Dash :8.4; 100-yard Relay :28.8.

Junior Girls — 50-yard Dash :6.3; 75-yard Dash :8.8; 100-yard Dash :11.9; 440-yard Relay :53.6.

Intermediate Girls — 50-yard Dash :6.15; 100-yard Dash :11.3; 220-yard Dash :25.3; 440-yard Relay :31.5.

**Field Competition**

Midget Boys — Long Jump 16' 3 1/2"; Hop-Skip-Jump 30' 6"; Baseball Throw 241' 4 1/2".

Junior Boys — Long Jump 20' 1 1/2"; Hop-Skip-Jump 30' 6"; Baseball Throw 303' 9".

Intermediate Boys — Long Jump 21' 6 1/2"; Hop-Skip-Jump 32' 7"; Baseball Throw 332' 7".

Midget Girls — Long Jump 14' 2 1/4"; Hop-Skip-Jump 29' 6 1/2"; Baseball Throw 188' 9".

Junior Girls — Long Jump 16' 1 1/2"; Hop-Skip-Jump 30' 6"; Baseball Throw 224' 7".

Intermediate Girls — Long Jump 17' 0"; Hop-Skip-Jump 31' 11"; Baseball Throw 261' 7".

**Wrestling Coach Will Attend Olympic Camp**

Granite City high school's wrestling coach, William Schmitt, said this week that he has been invited to attend a nine-day Olympic training camp at Adams State College in Alamosa, Colo., starting Aug. 20.

Sixty Olympic wrestlers were also invited to test their skills in the high altitude atmosphere of the camp in order to prepare for the 1968 world Olympic Games in Mexico City, Mexico.

Rich Bledsoe, a 1966 graduate of Granite City high school, has been asked to attend a similar nine-day development program Aug. 20 at the Pittsburgh (Pa.) University. Bledsoe is planning to join the wrestling team at Southern Illinois University this fall.

**Class B Softball Champions To Clash**

Kirchner's Hardware, defending ASA Class B Granite City regional champion in 1963, '64 and '65, will host the Wood River Marks in two games Saturday at Wilson Park. The first game with the Marks, defending Alton regional champ in '64 and '65, will start at 7 p.m.

Don Kaltmayer's three home runs led the Incentives' 14-4 win over Eagles in a make-up Class B League game at Wilson Park Tuesday night. The Incentives are now 4-6. Will Hoffman had two triples and a double, while Leon Hoffmann banged out a double and triple for the losers, now 5-5.

Now Tied Up at 4-7

Belleme Tile PPC's nudged their Class B record to 4-7 last night in downing the Incentives 6-3 at Wilson Park. Joe Wieser, Les Mitkos and Ken Valley each singled in the PPC's second to tie the score at 3-3. Larry Curry's double highlighted a two-run third inning as the PPC's went ahead to stay. The Incentives also are 4-7. The tide tips still lead the loop with an 8-2 mark.

Motorcyclists to Meet

Ground work for organizing a local motorcycle club will be the topic of a 7:30 meeting Tuesday, Aug. 2, at the Tri-City Speedway offices. There are an estimated 40 cyclists in the Quad-City area. The club would be formed for competitive participation.

By DON HASTINGS  
County Conservation Officer

An unusual animal was found by Steve Haarman of Route Three, Edwardsville, near his home on Silver Creek. A very large badger, killed as it crossed Fruit road.

With a head like a dog and a broad white stripe down his back, this large groundhog type animal is being seen more often in central Illinois, but this is only the second in Madison county in the past several years.

Having a reputation of being a vicious fighter, the badger has very strong, stubby legs with three-inch claws that could handle even the largest dog. Unless cornered or aggravated, it presents no danger to humans, however.

Two In Boat Pulling Skier

Several boating arrests, on Horseshoe Lake, and the river, and fishing arrests have constituted most of the violations in the past month. The hot weather has really slowed things down.

Biggest boating violation is pulling a skier with no observer except the operator in the boat. Illinois law requires a competent person in addition to the operator when a skier is being pulled. Competent in most cases would mean someone who was either capable of lifting an unconscious skier into the boat, or who could operate the boat for a pickup should the skier be injured.

The whole meaning of the law is that, should the skier be knocked out or injured, it be very difficult for the operator alone to rescue and load him. It is also difficult to operate the boat in heavy traffic and keep a safe watch on the skier at the same time. As with most boat laws, this is just another that is very difficult for the operator alone to protect the protection of the boater himself.

License Deception  
It is a private lake and entry is by payment of a fee or membership. Controlling it would be very simple, and it is time for something to be done. Lanes of traffic are just as important on water as on highways when it is as heavy as it usually is on Sundays at the lake.

Coomhounds and bird dogs can be legally trained again after just didn't buy it.

Church League Meeting

Plans for make-up games and tournament parties will be discussed today at a 2 p.m. meeting of the Quad-Cities Church softball League at the Good Shepherd EUB Church, National and Sunbury avenues.

Queirolo 4th After 36 Holes in St. Louis District Golf Tourney

Tony Queirolo, owner of Tony's restaurant, 5240 Nameoki road, fired a 155 score for 36 holes yesterday in the district golf tournament at Bellevue Country club, St. Louis county, and participated in the final rounds this morning and this afternoon. His two-under-par 34 on the back nine (three birdies and a bogey) was the best in the tournament.

His score of 155 was seven strokes off the pace set by Jim Jackson but was fourth best among the 160 competitors. He easily survived the 182 cutoff score and is one of 38 vying for the championship today.

Queirolo opened with an 81 yesterday and followed with a 69-34 round, one of the best in the tourney.

## Fr. Sondgeroth Resumes State Hospital Duties

Dr. Abraham Simon, superintendent of the Alton State Hospital, said Tuesday that Father Louis Sondgeroth has resumed his duties as Catholic chaplain following a year of clinical training at St. Elizabeth Hospital in Washington, D. C.

Father "Sandy," as he is known by many of the patients and employees, has already started consultations and is holding services each Sunday morning. He said he hopes to take more of a "rehabilitative role" at the hospital now, implying that his clinical training would support much of his approach.

In his schooling at the federal psychiatric hospital in Washing-

ton, Father Sondgeroth helped supervise counseling while studying personality make-up and development. The course also differentiated and emphasized between the various types of mental illness.

## Rights of Committee Spat Over Treatment Plant Work

Committee rights were aired once again at a Granite City school district session Monday night when Alderman Ford Johnson, a member of the Pollution Plant committee, said he was not advised in advance of job classification changes made by the superintendent at the sewage treatment plant.

Alderman Moerlein, chairman of the committee, is on vacation and was not present, but the other committee member, Alderman Fry, said he was notified of

the change in a letter received from Johnson at his home. "This sort of thing should get council approval before it is done," Johnson said in continuing his protest, adding that he did not receive such a letter.

Johnson also presented a request by Plant Supt. John Hildebrand for an 11th worker at the plant. "One man quit because there was nothing to do, and I understand only one truck driver is operating a truck," Johnson added.

Suggests Visit to Plant Fry suggested Johnson might visit the plant, which now is in full operation and see just what work is being carried out.

Hildebrand told the council that both drivers were now driving trucks to haul sludge to the city dump. He added that he made the change of switching jobs for a truck driver and an operator after conferring with the mayor.

In answer to Johnson's remark that it seemed unlikely for a \$520-a-month operator to change jobs with a \$500-a-month driver, Hildebrand said he had talked to the men and they were willing. "It's only temporary," he said.

"The council hired the men to do certain jobs based on interviews and qualifications, and it should be the council that makes the changes," Johnson added.

Mayor Partney replied that the city had experienced difficulty in hiring a qualified superintendent and should let the man operate the plant. "If we keep up this bickering, he might just leave."

Alderman Host Remark Most council members hooted when Alderman Poulos remarked, "The council has the final say. We'll tell him how to run the plant."

It finally was decided to let the matter rest until Moerlein returns from vacation.

Earlier in the meeting, Mayor Partney announced three 30-day appointments to treatment plant jobs. All are reappointments. William Jenkins is to continue as a laborer and Martin Zucny and Albert Grieve as operators.

## John J. Kraus Jr., 29, Dies of Heart Ailment

John James Kraus Jr., 29, of 917 Iowa street, Madison, died at 5 p.m. Tuesday at St. Elizabeth Hospital where he had been a patient for 20 minutes. He was previously under medical care for a heart condition.

Mr. Kraus, born in Granite City, was a lifelong resident of Madison. He was a member of St. Mary's Roman Catholic parish where he attended grade school, and was a graduate of Madison high school.

After serving three years in the Army, Mr. Kraus was employed at the General Steel Industries, Inc. He was a member of Operating Engineers local 181, AFL-CIO Steelworkers local 1022, and the Lodge Vetsib 223 Croatian Fraternal Union.

Surviving are his parents, Mr. and Mrs. John J. Kraus sr. of Madison; and two sisters, Miss Marcia Kraus and Mrs. Dwayne (Theresa) Rogers, both of Madison.

Funeral arrangements appear in today's obituary column.

## Ill. Heart Association Moves County Office

Under the direction of the Illinois Heart Association's board of directors, the service area's office has been moved from Alton to a P.O. box 484 residence on Poag road, two miles west of Edwardsville.

The principal purposes for moving the office were to economize, obtain better physical facilities and to locate closer to counties, St. Clair, Monroe and Randolph, which were added to the service area on July 1. The office is open Monday through Friday from 8:30 a.m. until 5 p.m. Phone 656-8866.

## Randall Odum Enlists In Army this Week

Randall H. Odum, son of Mr. and Mrs. Albert H. Odum, 711 North 27th place, enlisted in the U.S. Army this week and is undergoing basic training at Fort Leonard Wood, Mo.

After eight weeks of basic, he will be trained in the motor transport field which was guaranteed him prior to his enlisting at the Army recruiting office located at 1340 Niedringhaus avenue.

## Agent Wins Award

R. Bassett, local general agent for The Ohio National Life Insurance Co., and associate W. W. Bassett have earned the 1968 National Quality Award. The award is given annually by the National Association of Life Underwriters in recognition of superior life insurance services to the public.

## Faulty Wiring Causes

### \$5000 Damage to Home

Defective wiring caused a \$5000 fire at the three-room frame home of Ronald Glasgow, 2067 Fourteenth street, about 7:15 a.m. Wednesday.

Firemen said the fire started in a bedroom and was contained there but there was extensive at 1:50 a.m. Wednesday.

### Shower Honors Bride-to-be

## \*SOCIETY\*

### MRS. RHODES VISITING HERE FROM TEXAS

Mrs. C. N. Rhoads, 2869 Madison avenue, with her granddaughter, Robin Rhoads of Dallas, Tex., who is visiting here with her mother, Mrs. Robert Rhoads and brother, Robert, have returned from Portland, Ind., where they were guests of her son, Donald Rhoads, and family.

Mrs. Robert Rhoads with her son and daughter, who have been spending some time with her parents, Mr. and Mrs. George Bugle of Mitchell, and the Rhoads home, will leave next week for Dallas.

Miss Staretta Phelps, who is to be a late summer bride, was guest of honor this week at a miscellaneous shower given by Mrs. Shirley Flaugher and Mrs. Lynn Johnson in the Flaugher home, 4102 Ridge avenue.

White wedding bells were used in the decorative scheme and there was a doll centerpiece. Among other gifts presented to Miss Phelps was a corsage from the hostesses.

Present were Misses Karen Conrod, Leona Schafer, the honoree and Mesdames Loretta Cox, Phyllis Ficker, Leona Greer, Golda Phelps, Nellie Hand and daughter Salie, Ada Causey, Ella Luther, Joann Petras, Virginia Johnson, Joann Payne, Betty King, and daughter, Melanie, and Audrey Conrod.

Games were played and prizes

### FAREWELL PARTY FOR CLUB MEMBER

Mrs. Peter Argelan, 2500 Hodges avenue, entertained her pinocchio club Tuesday evening and honored a member, Mrs. Martha Bowman, with a going away party. She is leaving soon to reside in Belmont, Fla., and a shower of gifts was presented by the group, as well as a gift from her "sunshine" friend.

Prizes in games went to Mrs. Kathryn Johnson, Mrs. Gertrude Fleming, Mrs. Grace Heinrich, Mrs. Marie Perry and Mrs. Virginia Unfried. Luncheon was served by the hostess to those mentioned and to Mrs. Della Hagen.

The next meeting will be in two weeks with Mrs. Fleming, 2712 Michigan avenue.

were awarded. Refreshments were served. Miss Phelps will be married Aug. 27 to David Johnson of Glen Carbon.

### Summer Plans by Job's Daughters

A stated meeting of Job's Daughters Bethel 43 was conducted Tuesday evening at the Masonic Temple with Miss Dianne French, honored queen, presiding and summer activities the topic.

Past honored queens escorted and introduced from the East were Mrs. Eleanor Todoroff and Mrs. Marie Gordon.

Mrs. Nell Baskette, guardian, and Dr. E. H. Theis, associate guardian, also were escorted and introduced preceding a business meeting. Reports were given by the secretary and treasurer, and on a recent choir picnic and trip to the St. Louis Opera.

Miss French announced a Granite City DeMolay dance Aug. 2 at the Masonic Temple, from 8 to 11:30 p.m.

She also read an invitation from Bethel 84 of Springfield, Ill., for "Friends" night" Aug. 3. Miss French will fill the office of senior princess and Miss Debby Gray will serve as librarian.

Also announced were plans for conducting a "past honored queens' night" at the next regular meeting on Aug. 9. All past honored queens of the local Bethel will be invited to attend.

Miss Debby Gray, librarian, read a poem entitled "Tribute to Flowers."

Birthday honors were extended to Miss Nina Tarpoft and Miss Jackie Ross.

It was announced that the supreme session will be held in Philadelphia, Pa., Aug. 15-17.

Refreshments were served by the Mother's club to approximately 60 members and their mothers at the close of the meeting.

### A C 8 CARD CLUB MEETS TUESDAY

The A C 8 card club met Tuesday evening with Mrs. Marcella Seifried, 2121 Ash avenue.

Prizes in the games were won by Mrs. Lillian Naeve, Mrs. Ruby Gulledge and Mrs. Cleo Warnhoff. Others present were Mrs. Carrie Hart and Mrs. Alice Mooshegan, who were guests.

Mrs. Gladys Schuette and Mrs. Ruby Hornberger.

MR. AND MRS. VICTOR DARNELL, who were married Saturday at St. Augustine Catholic Church in Breese, Ill. The bride is the former Nancy Lynn Jargon, a daughter of Mr. and Mrs. Henry Jargon, Beckemeyer, Ill. Mr. Darnell's parents are Mrs. Norma Darnell, 2412 Madison avenue, and Edward Darnell, 2329 Edwards street.

### FORMER RESIDENT ANNOUNCES ENGAGEMENT

The engagement of Miss Sharon Herndon, a daughter of Mr. and Mrs. Virgil Herndon of East Lake drive, formerly of Granite City, and Bernard Menemeyer, a son of Mr. and Mrs. Francis Menemeyer of Bethalto, has just been announced.

The wedding is planned for Aug. 20 at St. Boniface Catholic Church in Edwardsville.

The bride-elect, a graduate of the Edwardsville high school, is employed in the Edwardsville office of a St. Louis firm. Mr. Menemeyer is an alumnus of the Edwardsville high school and Southern Illinois University.

Plans have been made by Quad City Navy Mothers, Unit 89, for a rummage sale to be held Friday and Saturday from 9 a.m. until 5 p.m. at the Moose Hall.

All proceeds from the sale is to go to the welfare fund for servicemen in Vietnam.

### Women of Moose Plan Hall Picnic

Granite City Chapter 247, Women of the Moose, completed plans for a picnic Aug. 27 and 28 at the Moose hall at a meeting last Tuesday.

Prizes were awarded to Mrs. Helen Maxfield, Mrs. Votupal, senior regent, and the members were asked to contribute canned goods for a picnic stand.

Plans were also completed for sponsoring a student nurse.

Prizes were awarded to Mrs. Helen Maxfield, Mrs. Votupal, senior regent, and the members were asked to contribute canned goods for a picnic stand.

Plans were also completed for sponsoring a student nurse.

### Jayceettes Plan For Jamboree

Mrs. Sally Herbst, president, presided over a monthly meeting of the Jayceettes Tuesday evening at Tri-Mor Bowl. Main topic of discussion was the State Junior Sports Jamboree to be held Aug. 4, 5 and 6, sponsored by the Jaycees, at Granite City high school.

Over 500 children are expected to attend, and reports on the need for caring for them were given by Mrs. Sandy Peterson, Mrs. Herbst, Mrs. Betty Lake and Mrs. Sharon Ritchie.

Mrs. Marge Pennell spoke on a press conference held in regard to the jamboree. Other announcements were by Mrs. Ritchie on the 1966 Granite City homecoming and by Mrs. Herbst on a tour she and her husband, William Herbst, as a representative of the Jaycees, took at St. Elizabeth Hospital.

Plans were made to attend a barbecue at the home of Mr. and Mrs. Paul Morris, 1 Terrace lane, Aug. 6 for Jaycees and their wives.

The club members will present Miss Lois Jeanne Huelkamp, Miss Granite City, with a gift.

Mrs. Herbst announced that plans are now in progress to select a "Jayceette of the month" for the remainder of this year.

During the annual installation of new officers, a "Jayceette of the year" will be named. The award will go to a member who has done outstanding work for the club and community.

The president appointed Mrs. Jo Ann Brewer to serve as ways and means chairman and to represent the club at an immunization clinic at the local hospital July 30.

Mrs. Marge Pennell will serve as publicity chairman. Plans were made to send flowers to any Jayceette who will be hospitalized. A bib inscribed "My Daddy is a Jaycee" will be sent to each new child of a member.

A special meeting is scheduled for Aug. 1. It will be a joint meeting with the Jaycees to complete plans for the sports jamboree that week.

Next regular meeting will be held Aug. 23 at Tri-Mor Bowl.

Refresherments were served to those named and Mesdames Kathy Jeffries, Betty Lake, Donna Wetherill, Liz Day, Pauline Presley, Jo Ann Miles, Beverly Sponeam, Mary Eaton, Mary Wilkins and three guests, Mrs. Joan Tadlock, Mrs. Neva Ward and Mrs. Diane Warnhoff, and two new members who joined at this meeting, Mrs. Marilyn Daine and Mrs. Evelyn Morris.

### FARMS - CALL BERGFELD GL 1-7540

### Legion Auxiliary Plans Installation

American Legion Auxiliary, Post 113, met last night in the Post home, with Mrs. Dorothy McCain presiding, over the planning for installation of officers on Aug. 27.

In games, prizes were won by Mrs. Alma Klaus, Mrs. Ella McCain, Mrs. Lovetta Goeller, Mrs. Marcella Coleman and Mrs. McCain.

The special award went to Mrs. Dorothy Johnson, Mrs. Mildred Rees was hostess at the meeting.

### ENTERTAINING SON

Mr. and Mrs. Walter Radick, 2869 Ralph street, have as their guest their son, Bro. Gregory McCain, S.D.S., of Sioux City, Iowa, vocational director at Trinity Seminary. Another guest recently at the Radick home was Bro. Klaus, S.D.S., vocational director for the Society of the Divine Savior in Milwaukee, Wisc.

## \$233,406 Grant Given Area For On-Job Training

The U.S. Labor Department Monday afternoon approved a grant of \$233,406 for the on-the-job training program in Madison and St. Clair counties.

Maurice Harris, executive director of the Madison County Economic Opportunity Commission, said the anti-poverty training program will be primarily for low-income Negroes. The joint program was approved last February by the anti-poverty groups of both counties.

Harris said he was notified of the grant by Lee Scott, area representative of the Bureau of Apprenticeship training, a division of the Labor Department.

According to the \$233,406 budget prepared by the apprenticeship bureau, 500 apprentices will be given apprenticeship training in business and industry.

Harris said industries and businesses will be assisted by the EOC in both counties to set up training programs for under-skilled workers. Industry and business will pay the workers the current wage and the government will reimburse the industry up to \$20 per week for supervisory personnel used to train the workers, the director explained.

The low-income Negro population of both counties will receive most benefit from the program, Harris said, with special emphasis on disadvantaged youngsters. Emphasis also will be placed on heads of households who are currently unemployed or under-employed.

### 2 GC Youths Enlist For Copter Pilot School

Cyrus D. Walker III son of Mr. and Mrs. Cyrus D. Walker Jr., 2261 Woodlawn avenue, and Michael S. Chandrai, son of Mr. and Mrs. Joseph J. Chandrai, 2615 Edison avenue, recently enlisted in the U.S. Army and are now in basic training at Fort Polk, La.

Both are 1965 graduates of Granite City high school and enlisted for a two-year period for helicopter pilot training which was guaranteed them before they enlisted. St. James E. Madson, local Army recruiter said.

### Ernest Eli, 16, to Undergo Arm Amputation

Ernest Clark Eli, 16-year-old son of Mr. and Mrs. Ernest Eli, 1533 Rodgers avenue, who submitted to surgery Monday at Jewish Hospital in St. Louis will undergo further surgery today.

He is suffering from cancer of the bone, and the right arm and shoulder will be amputated after consultation with several surgeons in this country and abroad. His condition is considered critical.

operates on its own  
battery, 12v auto/boat  
power and AC. Come in  
for a demonstration  
today.

## City Plans Broader Sales Tax Coverage

Granite City plans to expand the coverage of its half-cent city sales tax to include rentals equipment—such as autos, construction machines and tools.

The present sales tax ordinance does not cover rentals, and the suggested expansion was made to the council Monday night by City Treasurer E. R. "Pat" Rich, who estimated the city was losing several hundred dollars a year in revenue.

He pointed out that both he and the mayor pay state sales tax on the autos they rent, and that he knows of one local firm that rents 42 vehicles. Contractors often rent equipment on which the state charges sales tax, he added.

City Atty. Allen was instructed to revise the city sales tax ordinance to include rental items.

**Sewer Tax Hike Rejected**  
Rejected by the council was an ordinance to increase the tax collected for maintenance of sewer from 1.66 cent per \$100 assessed valuation to 10 cents in order to wipe out a \$100,000 deficit in the account. A \$150,000 levy is proposed, but objections were raised that Granite City's without sewers also would be required to pay the tax.

Alderman Rutledge said the amount is needed to meet the requirement for the city to repay its working cash fund for the \$100,000 "borrowed" to meet bond firm requirement when the city went into its sewage treatment plant program.

Alderman Sternberg, chairman of the Special Sewer committee,

said the areas without sanitary sewers should be given relief in the near future.

He read several letters from Cong. Melvin Price that the city's bid for a grant of \$1,510,240 federal tax funds for a proposed \$3,434,380 sewage and drainage program is being reviewed by federal agencies and a decision is pending.

"We won't know how to proceed with financing until we hear the amount of the grant," Sternberg said, adding that sewers are forthcoming.

**Payroll Bills**  
A half-month payroll of \$43,490 was approved. Allowances on the bill list included \$30 payments for Aldermen Boyd, Fry, Johnson, Robertson, Whitmer, Green, Noon, Poulos, Basarich, Rutledge, Dallas and Antoniak and \$90 each for three months for Moerlein and Parmley.

Allowances of \$30 were paid to Street Supt. Warfield, Police Chief Willard, Building Inspector Orville Deltour and the city hall maintenance man, Delbert Lampher.

The allowance for Mayor Partney amounted to \$291.

Other items on the bill list included \$10,400 paid to National Disposal Service for July trash garbage collection; \$352 paid to Clarence Whitford for weed cutting; \$324 paid to Thomas Sherle for sidewalk and curb replacement and \$1228 paid to Sheppard, Morgan & Schwaab, engineers, for inspections.

**Letter of Objections**  
A 2½-page letter from the

Ladies Auxiliary of Oil, Chemical & Atomic Workers Local 7468, Union Star & Refining Co., disputing the actions of Mayor Partney was read into the meeting minutes.

The auxiliary criticized the mayor for removing the union's strike headquarters bus off a vacant lot opposite the plant, saying it was done at the plant officials' request rather than under a city clean-up campaign.

The mayor was told that as a former union member he should have used his influence to forbid his son to cross the picket line and also that his donation to the auxiliary for a soup kitchen and children's Christmas party "totaled exactly \$20." Bicycles donated by police were in need of repairs.

"He used authority to give orders to the police department to protect the Union Star plant by constant patrol car vigilance with police armed with guns, billy clubs and even dogs," the letter stated.

The women also were critical in that the mayor refused to open police license number records to the union members trying to identify persons crossing the picket line.

**Traffic Signal Change**  
Sadie M. Jones, 2219 Benton street, was charged with a traffic signal violation at 23rd street and Madison avenue at 9 p.m. Tuesday. She was summoned for a hearing by Aug. 5.

**Woman Fined \$70, Costs**  
Sharon E. Kelly, 21, of East St. Louis, was fined \$60 plus \$5 costs for driving without a license on her person and \$10 and \$5 costs for following too closely. A hearing was held Monday in magistrate's court. The charges were filed July 11 by Granite City police.

## Marine Corps League Elects New Officers

The bi-weekly meeting of the Marine Corps League was held Monday night at Venice-Madison American Legion Post 307 Hall, to elect officers for 1966-67. Thomas Stephens relinquished his chair to Conrad Bauer, incoming commandant. Other new officers are:

Earl Deuderman, sr. vice-commandant; Hurschel Reinhardt Jr., vice-commandant; Enrique Lopez, chaplain; Wayne Baumeyer, paymaster; James Kennedy, sergeant-at-arms; Thomas Stephens, adjutant; Ted Barr, judge advocate.

Reports were given during the regular business of the meeting concerning the state convention held at Peoria and "mess night" which is to take place at the Collinsville VFW hall on Aug. 7. An amendment was drawn up to change meeting dates from the second and fourth Mondays to the first and third Monday nights of each month.

**Woman Fined \$70, Costs**  
Sharon E. Kelly, 21, of East St. Louis, was fined \$60 plus \$5 costs for driving without a license on her person and \$10 and \$5 costs for following too closely. A hearing was held Monday in magistrate's court. The charges were filed July 11 by Granite City police.

**Traffic Signal Change**  
Sadie M. Jones, 2219 Benton street, was charged with a traffic signal violation at 23rd street and Madison avenue at 9 p.m. Tuesday. She was summoned for a hearing by Aug. 5.

Choose twin or full size at the same low price.

**\$88**

**ATTRACTIVE NEW SOFAS THAT OPEN INTO BEDS WITH FULL SIZE INNERSPRING MATTRESSES**  
Modern styling with the slim line arm and no kickplait. Reversible seat cushions are foam filled 100% frize upholstery in a variety of colors. Easily opens into a full size bed.

**\$118**

ORIG. \$189  
COMPLETE BUNK  
BED WITH  
ATTACHED  
DESK

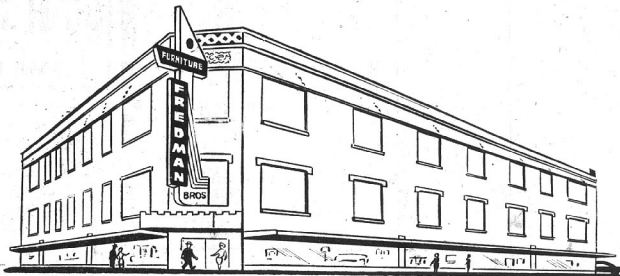

NOW  
Only **\$139**

Beautiful walnut maple finish. Desk folds down or goes up with table top. Bookcase shelves conveniently face out. Comes complete with 2 steel springs and 2 mattresses, guardrail and ladder.

#### The Weather

Granite City—the heat may be turned on full blast around Granite City, but at Fredman Bros. there are plenty of bargains to keep your home comfortable for years to come no matter what the weather. Try Fredman Bros. large store for a pleasant place to spend an hour or so just browsing through aisles of beautiful furniture.

At the corner of Delmar and Niedringhaus in downtown Granite City is located the huge Fredman Bros. Furniture Store. This building contains four mammoth floors which are devoted completely to the sale of furniture, carpeting and appliances for the home. Granite City's new Civic Park fronts the Fredman Bros. Store—which was just recently renovated to keep pace with the vibrant rejuvenation program of this downtown area. Fredman Bros. provides free parking for its customers in their own private parking lot adjacent to the building on the Delmar Street side.

### Fredman Bros. 1st and 2nd Floors Have Colorful Array of Sofas and Chairs

Modern, Contemporary, Provincial and Traditional  
styles in wide range of fabrics and colors.

ORIG. \$119.95 FAMOUS NAME 3-PC. MR. AND MRS. LOUNGE CHAIR AND OTTOMAN GROUPING

PROVINCIAL 4-PC. BEDROOM SUITE**

Beautifully finished in Mediterranean cherry with antiqued brass drawer pulls. Includes 52 inch 4 drawer double dresser, framed mirror, large chest and full size bed.

**\$200**

**New Civic Park Leaves Out of Town  
Lady Gaping!**

"Life can be so frustrating," says Mrs. Kenneth Peephole from Nigawak Falls, Ill. "I wanted to look at the new Civic Park at the corner of Delmar and Niedringhaus. But right at this corner there was the big, beautiful furniture store called Fredman Bros.—and I couldn't make up my mind whether to look at the Civic Park or look at all the pretty furniture in their store windows. My such beautiful furniture!"

### Important Money Saving August Furniture Sale To Start Tonight at Fredman Bros.!

Presale excitement hits fever pitch as army of  
customers prepare for action.

From Press Dispatch

Granite City, Illinois: The start of the long awaited August furniture sale at Fredman Bros. Furniture Store in downtown Granite City has finally arrived. The doors of this well known, old established store swing open at 6 p.m. tonight for the kick-off of this fabulous event. Quad-Cityans who like to shop for their furniture at bargain prices have been known in the past to postpone their purchases for many months to take advantage of this exciting sale. Because of the state-wide interest that this exciting sale generates, huge crowds of bargain hunters are expected to converge on this furniture establishment. The prices to be marked down are expected to be quite substantial. The items to be reduced in price are expected to be most everything in the store, including the "cream of the crop" merchandise. Therefore, customers are urged to shop early for best selections. The store will remain open until 8:30 p.m. tonight as well as Friday and Monday nights. Other nights, the store will be open until 5:30 p.m. In case customers are low on cash...there's no reason for them to panic since Fredman Bros. own credit department will arrange a convenient monthly payment plan to suit their individual desires or needs. Convenient parking is available on Fredman Bros. own parking lot adjacent to their store.

### Fredman Bros. Dining Room and Dinette Depts. Have Excellent Selection

### Calling All Homemakers

We Are Now Going Through a New Era in Home Decoration

By AARON FREDMAN

During the last few years there has been a quiet revolution going on in the furniture and decorating business concerning the proper way to furnish a home.

In the past, anyone could buy a book on decorating and follow the rules concerning what goes with what, which colors may be used together, how to recognize and use different periods of furniture, etc.

While there are still many such books, and while they still contain much that is helpful, there have been vast changes in the thinking of professional decorators and furniture store personnel. It's an exciting time in home decoration, and we invite you to come in and share in this excitement—come in and see all the new items...the new colors and color combinations...and the new ideas. And then you can enjoy the thrill of starting to furnish your home in beautiful new ways.

## Glenview & East Granite Mitchell

MRS. LOIS WEEKS  
129 E. Chain of Rocks Road  
WE 1-1493

### HONORED AT SHOWER

Mrs. Nancy Mercer, 2229 Miracle Avenue, pianist of the Mitchell Presbyterian Church, was complimented with a stock shower Tuesday evening at the church recreation room. The decorations were pink and blue.

Games were played. After the honoree opened her many gifts, refreshments were served.

Those present were Mrs. Camella Laughlin, Mrs. Agnes Butler, Mrs. Bulah DiGiuliano and Mrs. Josephine Mitchell, who were hostesses, and Mesdames Ann Meyer, Lois Weeks, Molane Robertson, Avalon Young, Fairy Laswell, Mary Turner, Charlotte Starr, Myra Parrish, Viola Spicer, Diane Hartzel and daughter, Shelle, Lucy Moore, Marilyn Deatherage, Blanche Timmons, Marietta Bigham, Rebecca Jane Lynch, Jilia Jameson, Mary Dickson, Bettie Futch, Joyce Carper, Wilma Corzine, Mary Chapman, Florence Gunter of Edwardsville and Mattie Farmer of Bethalto, and Misses Jo Anne Mercer, Debbie DiGiuliano, Linda Beasly and Cheryl Lynch.

Mr. and Mrs. Roger Dodson, 559 Barkley street, returned home Tuesday from St. James, Mo., where they visited Mr. and Mrs. Bill Decker and Dixon, Mo., where they visited Mr. and Mrs. John Jones.

Rickey Jackson of San Jose, Calif., is visiting his grandparents, Mr. and Mrs. James Jackson and Mr. and Mrs. James Jackson Jr., Mr. and Mrs. Ronald Jackson and Mr. and Mrs. Bernard Jackson.

### MRS. JACKSON HOME

Mrs. Janet Jackson, 26 Moorland drive, returned home Wednesday from St. Mary's Hospital, East St. Louis, where she underwent tests and observation.

### COLORADO VACATION

Mr. and Mrs. Jerry Weeks returned home Sunday from a week's vacation in Colorado Springs, Denver, the Rocky Mountain National Park, Lincoln, and Omaha, Neb., Council Bluffs, Ia., and Rock Falls, Ill.

### HOME FROM FLORIDA

Mrs. Fern Corey and children, Claudia and Jimmy, 205 Lennox avenue, and her mother, Mrs. Ethel Grigsby of Hartford, returned Sunday from St. Cloud, Fla., where they visited Mrs. Betty Grigsby and family. They also visited at Daytona Beach.

### EBERHART RECOVERING

Ben Eberhart, Chouteau township road commissioner, is recovering from eye surgery he underwent at Jewish Hospital, St. Louis, last week.

### Extinguish Weed Fire

Venice firemen were called at 3:30 p.m. Tuesday to extinguish a weed fire in an alley on the west side of the 800 block of Main street. There was no damage.

MRS. JOAN YETTER  
2520 State Street  
TR 6-0849

### ANNOUNCE DAUGHTER

Word has just been received in Granite City of the birth July 21 of a daughter, Dana Lynne, to Mr. and Mrs. Clarence Atchison Jr. of Bainbridge, Md. She weighed six pounds, eight ounces.

The father is serving with the Navy and is a former resident of Granite City. The paternal grandparents are Mr. and Mrs. Clarence Atchison Sr., 2107 Alexander street.

Spending Tuesday in Springfield and New Salem, Ill., were Mr. and Mrs. Joe Moutria and their children, Greg and Keith. The Moutria family visited the state capitol and the various Abraham Lincoln memorials in the area.

A monthly meeting of the Suburban Baptist Church Women's Missionary Union will be held this evening at 7:30 at the church, 2900 St. Clair avenue. Mrs. Sharon Purkey will be in charge of the business meeting and Mrs. Eula Juncal will be in charge of the program.

Miss Nancy Edwards, daughter of Mr. and Mrs. Edgar Edwards, 2690 Iowa street, is recuperating at St. Elizabeth Hospital following surgery Tuesday. She is expected to be hospitalized for about a week.

### CUBS TOUR ZOO

Den Three of Cub Pack 122 traveled to the St. Louis zoo Sunday for a picnic lunch and a tour. The group also enjoyed the monkey show during the afternoon.

Members attending were Larry York, Gary York, Ricky Harmon, Eddie Bellings, Jimmy Bellings, Greg Moutria and Keith Moutria. A guest was David Moutria. The group was accompanied by Mr. and Mrs. Joe Moutria.

### Pontoon Beach & Stallings

MRS. MABEL KENNEDY  
3833 Lake Street  
WE 1-0152

Boy Scout Troop 28 met Tuesday evening at the Long Lake fire hall with Scoutmaster Leonard Barron, Assistant Scoutmaster Glenn Ashoff and Otto Kreher. Charles Polity gave a talk on the Philmont, N. M., Scout Ranch.

Plans were made to clean up a campsite next Tuesday. Boys present were Steve Meador, Vaughn Wainwright, Rudy Reiser, Danny Daigler, Freddy Biggs, Danny Kreher, Mary Reiser, Willie Arnold, Roger Daigler, Scott Rushing, Gary Tucker and Jimmy Jones.

### ENTERS HOSPITAL

Mrs. Ruth Hirsch entered St. Elizabeth Hospital in Belleville Wednesday to undergo treatment.

### Parked Auto Struck

The auto of Wesley Zeigler Jr., 1800 Poplar street, angled parked on 18th Street at Cleveland Blvd., was struck in the left rear fender by a hit-and-run driver at 7:40 p.m. Tuesday.

A man doesn't cut much ice in this life unless he makes hay while the sun shines.

## MADISON

MRS. LENNA WILLIAMS  
1638 Sixth Street - TR 7-0817

### BIRTHDAY GATHERING

Mrs. Ethel Schneider was surprised Sunday afternoon as guests arrived at the home of Mr. and Mrs. David Jasadowicz, 1631 Reynolds street, to honor her on her birthday.

A decorated cake centered the refreshment table. Gifts were presented to the honoree.

Those taking part in a barbecue held on the lawn of the Jasadowicz home were Mr. and Mrs. William Schneider and daughter, April, Mr. and Mrs. Elmer Meyer and sons, Bobby Joe and Elmer, Mrs. Gertrude Cooper, Mrs. Mattie Barker, Mrs. Ruby Barker, Mr. and Mrs. Glen Barker and daughter, Anna Marie, Mrs. Frances Fisher and son, Frank, Sandy and George Ramsey, Gail Cooper and Dennis Wickham.

### FOURTH BIRTHDAY OF RONALD GUSHLEFF JR.

Mr. and Mrs. Ronald M. Gushleff Jr., 1238 Washington avenue, held a birthday observance in their home Monday honoring their four-year-old son, Ronald Jr. He has two sisters, Joyce and Michele, who took part in the party.

Others in attendance were Mr. and Mrs. William N. Gushleff and Mrs. and Mrs. John Cmkovich, grandparents, and Mr. and Mrs. William L. Gushleff, Mr. and Mrs. John Cmkovich Jr. and daughter, Traci, Mr. and Mrs. Charles Ashley, who are visiting here from California, Mrs. Phyllis Watkins, and Mrs. Mary Pogorelec and daughters, Judy and Carol.

Many gifts were presented to the honored guest. Refreshments were served.

### BRIDAL SHOWER HONORS MISS IRENE TOWNSEND

Miss Irene Townsend, who is to become Mrs. Richard Lux, was honored with a bridal shower Sunday afternoon in the service rooms of the First United Presbyterian Church of Madison.

Miss Townsend is the daughter of Mr. and Mrs. Herman Odell.

The wedding will take place Saturday at the First United Presbyterian Church. The rooms were decorated for the occasion, and a revolving pink shower umbrella centered the gift table.

Miss Townsend was assisted in opening the packages by Mrs. Delores Keller, who is to be her bridesmaid.

The shower was given by Mrs. Joyce Walker, Mrs. Clara Lux, Mrs. Charly Ackerman and Mrs. Bea Odell. Games were played and refreshments were served to Mrs. Norma Wade, Mrs. Eva Spang, Mrs. Mildred Townsend, Mrs. Sharon Holm, Mrs. Karen Kent, Miss Jeanie Ackerman, Mrs. Elizabeth Bucher, Miss Mary Ann Bucher, Mrs. Betty Meyer, Mrs. Imogene Revelle, Mrs. Stacey, Mrs. Ann Kusmierczak, Mrs. Naomi Pfaffen, Mrs. Lorraine Gipson, Mrs. Beverly Odell, Mrs. Effie Cleveland, Mrs. Marie Hookstra, Mrs. Hazel Sherrill, Mrs. Billie Byrne, Mrs. Frances Odell and Misses Reta Byrne, Carol Walker and Debbie Townsend.

### MRS. MEYER HOSTESS TO TWILIGHT CLUB

Mrs. Betty Meyer was hostess to the Twilight Pinch club in her home Monday evening. Dessert was served prior to the pinche games.

Those excelling at the games were Mrs. Edith Lemen-

tavich, first; Mrs. Lucille Broyles, second; Mrs. Cell Doroghazi, third; and Mrs. Marie Miller, fourth.

Other members playing were Mrs. Mary Etta Wambaugh, Mrs. Jean Boyer and Mrs. Beulah Rensing. Mrs. Broyles will entertain the members in her home, 2030 McCasland avenue, Aug. 15.

### BRIDAL SHOWER FOR MISS MARY MEHELIC

Miss Mary Lou Mehelic was honored guest at a miscellaneous bridal shower given by her sisters, Jean and Andrea Mehelic, Sunday afternoon at the Polish Hall in Madison.

The colors of yellow and white were used throughout the decorating theme. Bibles and miniature brides were given as favors to each guest. Games were played, with prizes being awarded.

Refreshments were served to Misses Gloria James, Audrey Steinman, Meridel Foley, Rosie Antonovich, Marcia Berio, Judy Kraus, Judy Kulaska, Carol Cook, Susie Cotter, Suzanne Theison, Ann and Catherine Polovich, Cell Kowalczyk, Carol Zielowski and Patsy Loftus, and Mesdames Pauline Sobolek, Dolores Brink, Dell Tutka, Antonette Tutka, Helen Chovel, Mary Krajovich, Liz Such, Lucy Krawicki, Rita Lybarger, Fannie Malon, Kraus, Judy Kulaska, Carol Cook, Charles Ashley, who are visiting here from California, Mrs. Phyllis Watkins, and Mrs. Mary Pogorelec and daughters, Judy and Carol.

Many gifts were presented to the honored guest. Refreshments were served.

Out-of-town guests were Mrs. Caroline Schwab, Mrs. Helen Schwab and Mr. and Mrs. Frances Schwab and daughter, Irene, all of Litchfield, Ill.

Miss Mehelic will be married to John Charles Schwab at 11 o'clock Mass Saturday, Aug. 13, at St. Mary's Catholic Church, Madison.

### REBEKAH HEAR REPORT

Delray 786 Rebekah Lodge members met Tuesday evening at the Odd Fellows hall in Madison. Mrs. Thelma Stockton, vice-grand, was in charge of a short business meeting in the absence of the noble grand.

Mrs. Stockton gave a report on a dinner and tour of St. Elbrahe Lodge, where she represented the lodge. Fifteen members responded to roll call. The next meeting will be held in two weeks.

### County Chairman Elected NACO Director

Harold Landolt of Alhambra, chairman of the Madison county board of supervisors, was elected a director of the National Association of County Officials at a convention in New Orleans, La.

Landolt, the only representative from Illinois, is one of 24 directors of the association. He is presently serving his fourth term as county board chairman.

**Stop Sign Charge Filed**  
Earl T. Spener, 2461 St. Clair avenue, was arrested at 9:30 p.m. Wednesday on a stop sign violation charge at Edgewood drive and Willow avenue. He was summoned for a hearing by Aug. 5.

### Bonded Pair Arrested In Alton this Week

Terry Thwaitt, 38, of Chouteau Slough road and William "Bill" Boland of Wood River, both free on bond in connection with a night by Alton police on separate charges. Police reports said that Thwaitt was charged with intoxication and disorderly conduct by the department, while Anthony Bombin of Pittsburg, Ill., filed charges of peace disturbance and assault against him. Bombin, an employee of the American Cal-

mal Corp., who was staying in a downtown Alton motel, said that Thwaitt hit him over the right eye with a pool cue in an 8 p.m. fracas.

Boland, a union business agent for the Carpenter's District Council of Madison County, was charged with a traffic violation at 6:40 p.m. It stemmed from an accident in which Boland's auto, was involved in an accident in the 3500 block of East Broadway in Alton with a car driven by Morris Barrielleux of Alton. Magistrate Harold Gwillim released Thwaitt yesterday morning on a \$100 cash bail with court hearing on the four charges pend-

### Arrest at Traffic Signal

Jimmy D. Peppers, 2525 Grand avenue, was arrested on a traffic signal violation charge at 23rd street and Madison avenue at 8 p.m. Wednesday. He was summoned for a hearing by Aug. 12.

### Submits to Surgery

Mrs. Pearl Green, 1516 Sixth street, Madison, is recuperating at St. Mary's Hospital, East St. Louis, following major surgery.

### Ticketed at Stop Sign

Frank J. Orris Jr., 582 Boyle avenue, was arrested at 6:10 p.m. Wednesday on a charge of violating a stop sign at Edgewood drive and St. Clair avenue. He was summoned for a hearing by Aug. 5.

### Traffic Charge Filed

Vern J. Walker, 2528 Forest avenue, was arrested at 1:20 a.m. today on a traffic signal violation charge at 20th street and Madison avenue. He was summoned for a hearing by Aug. 12.

—GO TO CHURCH SUNDAY—

Granite City PRESS-RECORD  
Page 16 Thurs., July 28, 1966

### \$500 in Brass, Copper Stolen; Other Thefts

Two separate burglaries involving the theft of quantities of brass and copper and a series of other theft crimes were reported to Quad-City authorities since Monday.

Burglars apparently used a heavy bar to snap a padlock off the front gate of Fox Brothers Co. in Madison Monday night or early Tuesday morning and stole a barrel of scrap copper valued \$200. A company spokesman said the thieves used a hand truck to haul the copper to a truck or car and took the cart with them. The theft was reported to Madison police at 7:30 a.m. Tuesday.

A burglary discovered by Ray Aubucher, St. Louis, at 7 a.m. today at the Madison Aluminum Foundry, 18th and Benton streets, netted 500 to 600 pounds of brass valued at \$300 to \$400. The intruder broke out two windows in an overhead door on the north side of the plant.

William Miller, 321 Broadway, reported to Venice police Tuesday afternoon that 12 auto radiators were stolen from his scrap yard. There was no indication of forced entry, police reported, the thief apparently climbing a fence to enter the yard. Miller said the radiators had a value of \$100.

Lorraine Williams, 2878 Idaho avenue, reported at 7 a.m. Wednesday that a thief raised the hood of her auto and stole the carburetor, oil filter and air cleaner while the car was parked in her driveway.

A black 1961 foreign auto was stolen during the night from the Larue Auto Sales lot, 23rd street and Madison avenue, it was reported at 10:15 a.m. Wednesday.

Stolen Auto Recovered  
Lawton Grooms, 2577 Iowa street, reported at 10:55 p.m. that his black 1949 two-door auto was stolen after 8 p.m. He recovered it later on East 23rd street.

A four-speed transmission was stolen from a 1966 auto parked during the night at the rear of the Carver service station, 2844 Namekiki road, it was reported at 10:55 a.m. Wednesday.

Three pairs of men's socks and two red sport shirts were stolen from the clothesline at the home of Mary Ann Cochran, 2324 East 25th street, between 6 and 8 p.m. Tuesday, she reported at 11 p.m. The clothing was valued at about \$10.

Virginia Stone, 1217 Klein street, Venice, reported to police at 5 p.m. Wednesday that while she was at work a thief took her television set, clothing, dishes, pots and pans and other household goods. She furnished police the name of a woman in suspect. Venice officers said they were investigating the theft today.

Tractor, Mower Stolen  
Lt. J. R. Scott, a detective for the Norfolk & Western Railroad, reported Monday that a tractor with mowers attached, on rubber tires, was stolen from the area of the 25th street rail crossing between Friday and Sunday.

Albert Malott, 33 Oaklawn drive, reported Monday that a set of PGA golf clubs, a silver color golf bag and brown shoes were stolen during the night at his home. The clubs included two woods and five irons.

Rodger McCracken, St. Louis, reported at 4 p.m. Monday that a brief case containing valuable papers was stolen from his auto while it was parked on the American Steel Foundries lot on Saturday. The value was about \$40.

Two Batteries Taken  
George Hlava of Hlava's Garage a Service Co. on Madison avenue in Venice reported to police Tuesday the theft of two batteries which were taken from cars on the garage lot. One six-volt and one 12-volt battery were stolen, he said.

Mrs. Juanita Barnes, 1010 Market street, Venice, reported to police at 9:30 p.m. Monday that a .22 caliber pistol had been stolen from her home. She gave police the name of a boy as a suspect and police later recovered the gun. Officers said the stolen item was an air pistol instead of a regular revolver.

Mrs. Gloria Kauble, 2122 Delmar avenue, reported at 7:15 p.m. Wednesday that during the past week and a half a thief entered her home and stole \$25 to \$30 in cash, about 10 trading stamp books and two initial rings.

### Safety Council Gives Tips For Safe Turnpike Driving

For local residents who still are planning long vacation trips, the Quad-City Safety Council has a check list for safe driving on turnpikes or interstate highways. The "pleasant trip" tips are: Stop for a rest at the nearest service or pull-off area at least once each 100 miles and whenever you feel sleepy or tired. Be sure tires are in good condition, and properly inflated. Check your car—lights, brakes, windshield wipers should be operating perfectly. Keep your seat belt fastened while your car is moving. Maintain safe distance between your vehicle and the one ahead. Do not tailgate. When overtaking to pass, first check to the rear. Move into

left-hand ("passing") lane while your car is still well behind the vehicle ahead. After passing, be sure there is plenty of room between your car and the vehicle you have just passed before returning to the right-hand ("driving") lane. Adjust your speed to fog and rain. Don't be a slowpoke driver. Keep moving. Never stop on the roadway. Stop or park only in emergencies, well off the concrete on the right-hand shoulder. Do not make U-turns. Do not walk on the turnpike. Do not pick up hitchhikers. Check your gas supply from time to time.

### Missouri Gets

more about Louis equity division No. 2 of the court.

The suit claims that Madison profited by more than \$7 million and asks that the city deposit that amount with the court in behalf of the Missouri highway department and bridge users who may wish to reclaim tolls paid during past years.

The figure reportedly came from the Army Corps of Engineers which is beginning a study of the bridge toll situation. Mayor or Maers said he spoke with the C. of E. controller today, and that the controller denied making any report as he has yet to finish a study of records.

Madison turned over all of its financial and legal records to the Corps of Engineers to assist in the study.

Missouri claims that Madison has been collecting tolls illegally since the bridge was paid for in 1964 and is attempting to eliminate tolls of 25 cents for an auto and varying amounts for trucks.

Army order Needed  
The Madison mayor said the city is willing to reduce its bridge revenue, but that elimination of tolls must come through an order of the Department of the Army.

The mayor said "I don't know what to make of it. I thought we were acting in good faith in giving our records to the Corps of Engineers and meeting with

### Motorcyclist Fined \$420 in Police Chase

Gerald Mangiaracino, 21, of 3608 Kirkpatrick Homes, was fined a total of \$420 on four traffic charges and a charge of resisting arrest Tuesday by Magistrate Hiscott in Edwardsville's magistrate court.

He pleaded guilty to the traffic charges and a finding of guilty was made by Magistrate Hiscott on the charge of resisting arrest. Mangiaracino had asked for a jury trial, but a jury, which was standing by, was not needed.

The charges were filed as the result of a chase by Granite City police who stopped Mangiaracino on his motorcycle in Mitchell. The traffic charges included speeding on Namekiki road, violating stop signs at Johnson and at Penton roads and fleeing or attempting to elude police.

After he was stopped in Mitchell, Mangiaracino claimed that he was beaten and injured by police. He spent several days in a St. Louis hospital. The officers were ready to testify that Mangiaracino first struck one of them.

Mangiaracino had posted bonds of \$200, and Judge Hiscott gave him 30 days to pay the remaining \$220.

Gov. Hearnes. We don't know what the score is. We have received no official notice. "But our legal department met last night and we are going to protect ourselves. They are trying to take our bridge without due process of law."

**Two Batteries Taken**  
George Hlava of Hlava's Garage a Service Co. on Madison avenue in Venice reported to police Tuesday the theft of two batteries which were taken from cars on the garage lot. One six-volt and one 12-volt battery were stolen, he said.

Mrs. Juanita Barnes, 1010 Market street, Venice, reported to police at 9:30 p.m. Monday that a .22 caliber pistol had been stolen from her home. She gave police the name of a boy as a suspect and police later recovered the gun. Officers said the stolen item was an air pistol instead of a regular revolver.

Mrs. Gloria Kauble, 2122 Delmar avenue, reported at 7:15 p.m. Wednesday that during the past week and a half a thief entered her home and stole \$25 to \$30 in cash, about 10 trading stamp books and two initial rings.

## 4 Persons Hurt In Area Accidents

Barney Fernandez, 8, son of Mr. and Mrs. Emanuel Fernandez, 84 Garehne Homes, Madison, was treated at St. Elizabeth Hospital at 3 p.m. Tuesday for injuries to his left forearm and left hip after he was struck by an auto in Madison. He was released after treatment.

Madison police reported the boy was struck in the 1600 block of Second street by a car driven by Fred Wicker, 408 Kirkpatrick Homes, who was driving east on Second street. Wicker told police the boy darted out from between two parked cars.

**Mother, Daughter Hurt**  
Mrs. Betty Sneed, 41, and her daughter, Miss Joette Sneed, 19, both of 1411 Norwood drive, were injured Monday when their auto struck the rear of another driven by Aloys J. Lucasi, 2409 East 24th street, who was stopped for traffic before making a left turn onto Leonard avenue off Nameoki road. Mrs. Sneed was charged with following too closely and was taken to St. Elizabeth Hospital where Mrs. Sneed was admitted with an injury to her right foot. Her daughter was treated for injuries to her right thumb and foot and was released.

**Injured In Pedicure**  
Thomas F. Petrucelli, 23, Brentwood, N. Y., received minor injuries and two cars were damaged at Third street and Madison avenue at 4 p.m. Monday.

Petrucelli complained of neck pains, police reported, after his car collided in the intersection with one driven by James Hartwell, who told police he lives at the Granite City Army Depot. Petrucelli's car was damaged in the back end and Hartwell's car in the front end.

## Attending Steelworkers Institute In Urbana

Wade Campbell, 14 Briarcliff, Joseph Gallia, 2207 a Cleveland Blvd., and Dennis R. Cooper, 1723 Venice avenue, committeemen of Local 490, United Steelworkers of America, together with Robert Means of Route 3, Edwardsville, president, are among the union officers and members attending the 20th annual Steelworkers Institute at the University of Illinois in Urbana. They are employed by the Dow Metal Products Co.

The education program is part of the labor summer school series conducted on the campus by the University Extension in cooperation with various union groups. The meeting began Sunday and will continue through Friday.

## Legion, Auxiliary To Install on Aug. 27

Plans were made for a joint installation of officers of Tri-City American Legion Post 113 and Auxiliary at 8 p.m. Aug. 27 at the post home during a meeting Tuesday night. It will be a public ceremony.

Wilbert Niepert, new post commander who conducted his first meeting, announced that he will be accompanied by Joseph Summers, Harold Summers and Russell Birks at the state Legion convention this weekend in Chicago. They were to leave late this afternoon by train.

car collided in the intersection with one driven by James Hartwell, who told police he lives at the Granite City Army Depot. Petrucelli's car was damaged in the back end and Hartwell's car in the front end.

## Ironworkers May Strike Sunday; Talks Resumed

Threat of a strike at midnight Sunday of more than 100 Southern Illinois ironworkers continued today as negotiators resumed contract talks at 11 a.m. in Belleville.

Lial Field, business representative of Ironworkers Local 302, East St. Louis, told the Press-Record that a definite strike threat persists, but added that negotiations probably will be conducted throughout the weekend. Today's meeting is in August's restaurant.

Wayne Barber, administrative assistant of the Southern Illinois Builders Association, representing area building contractors, said the threat of a strike persists due to differences over wage demands. The ironworkers are demanding a minimum of \$1.05 spread over three years, while contractors are offering a maximum of 60 cents over the period.

**More Talks Due**  
Meanwhile, only preliminary negotiation talks have been held between the builders association and East St. Louis Local 302 of the Cement Finishers Union whose contract also expires at midnight Sunday.

Barber pointed out, however, that the cement finishers can not strike before Aug. 20 because of failure of the union to notify the Federal Mediation Commission of the possibility of a strike, as they are required to do under federal laws. In addition, he said, the cement finishers' contract has been extended to midnight of Aug. 31 for all workers engaged in highway construction work. A large majority of cement finishers now are working on highway jobs, such as Nameoki road here.

This situation gives negotiators three to four more weeks to discuss terms of the cement finishers contract.

**Fee Issue Goes To High Court**  
(Special from Springfield)

Testimony in the murder trial of John S. Grooms, Jr., 31, and three other Menard prisoners charged with slaying three convicts resumed Wednesday after the Illinois Supreme Court agreed to hear a motion involving payment of defense attorneys by the state.

The motion, which asks the Supreme Court to order the state to pay the fees and expenses of five court-appointed attorneys, was filed by East St. Louis attorneys Ralph D. Walker and Bernard H. Bertrand.

Fees were to be paid by Sangamon county, but because of supervisors says it does not have \$24,000 to pay claims already authorized by Circuit Judge Creel Douglas.

The five defense attorneys, representing Stamps, William E. Bassett, Alton Jones and Prentiss Griffin, filed motions to withdraw from the case because of financial hardship created when the trial was removed from Randolph county to Springfield.

The attorneys have been commuting to and from Springfield and living in the city while the trial has been in progress for the past 13 weeks.

Granting of such a motion would have caused a mistrial and nullified the 13-week proceedings.

John A. Greager of Chester, an industrial foreman at Menard prison, was the principal witness to take the stand Wednesday.

He said he took part in a search at the prison two days after the riot last Nov. 23, in which three guards were slain and seven others wounded, and found six homemade knives concealed in a hole in a wall.

**GC Industries**  
by federal, state and area taxing agencies in the Illinois-Missouri metropolitan area, that control regulations be developed for the Madison-St. Clair county area, apart from the rest of the state.

Other recommendations were for a larger staff for the Illinois regional office at East St. Louis to confer with local bodies, such as the Granite City commission, and to promote emission reduction plans for specific sources, such as industries and businesses, and to base specific control regulations on the Interstate study.

**Undergoes Back Surgery**  
Frankie Grooms, 31, Menard prison inmate, underwent major surgery and bone grafting Wednesday at St. Louis Hospital in St. Louis. The operation was due to a back injury suffered some time ago. He will be confined to the hospital for several months.

**Truck, Auto Collide**  
A pickup truck driven by Roy A. Kraus, 2444 Benton street, and an auto driven by Homer Hale, East Alton, collided at 12:30 p.m. Wednesday at 10th street and Grand avenue.

## State Buying 600 Acres to Expand Cahokia Mounds

Negotiations are under way by the Illinois Department of Conservation to purchase 600 acres of land to expand Cahokia Mounds State Park, a move that would include the St. Louis Down town Air Park at 8300 Collinsville road, instead of the Horseshoe Lake area.

William T. Lodge, director of the conservation department, said the Illinois Building Authority is handling the land purchases and has been negotiating with S. W. Sisk, who operates the airport. Lodge said the authority is talking with Sisk about several different proposals.

Land desired by the airport, under option of Sisk, is 100 acres desired by the state for the proposed park expansion, Lodge said.

Under one proposal the airport would be permitted to continue operation at its present site until the operator could find a new location, Lodge said.

Sisk said he had been planning expansion of the airport, including new runways. He said business has been increasing steadily. The airport operates 24 hours a day.

**Lake Commission Meets**  
Meanwhile the executive board of the Horseshoe Lake Development Commission which is studying possible rehabilitation of the lake area into a recreational area, met Wednesday at the Howard Johnson restaurant, Collinsville. The Horseshoe Lake area also is near the Cahokia Mounds Park.

The board met with representatives of the southwestern Illinois Metropolitan Area Planning Commission and Southern Illinois University.

Henry D. Karandjef of Granite City, chairman of the commission, said the discussion involved the potentiality of federal grants to finance development work. SWIMAP and SIU representatives explained that no such grants are immediately available, but are in the talking stage in Washington.

The Tri-Cities Chamber of Commerce Committee for Horseshoe Lake Development is to meet at noon tomorrow at the Rose Bowl. A meeting of the full Horseshoe Lake Commission membership is to be held in early August, Karandjef said.

## Charge 2 With Trying To Buy a \$500 Murder

Sheriff Barney Pfandorf charged Bobby Cole, 24, and Mrs. Irene Roberts, 43, both of Cottage Hill, with attempted murder yesterday after a Tuesday night meeting during which they allegedly paid a hired killer the first \$50 of a promised \$500 and gave him a 16-gauge shotgun.

The prospective killer, who had informed the sheriff of the alleged meeting, was instructed to attempt to kill Harry Allan Turnbaugh, 90, Route 3, Edwardsville. State's Attorney Joseph Barylak said a motive has not been learned.

Mrs. Roberts was released late Wednesday on \$25,000 bond, Cole, also charged with aggravated battery in an unrelated case, remains in custody at the county jail. A county grand jury session will begin Monday.

**Meet on Depot Pool Use**  
Army Depot and St. Louis Human Development Corp. officials conferred this morning at the depot to arrange for allocation of Depot swimming pool hours to persons in surrounding poverty areas, including the areas of Madison and St. Clair counties and Missouri. Lt. Col. George B. Thompson, deputy commander, pledged full cooperation. (Related story on page 27.)

**Two Autos Collide**  
Auto driven by Carole J. Knackstedt, 2124 Amos avenue, and Joyce L. Rowland, 4035 Division street, collided at 7:30 p.m. Wednesday at Nameoki road and Madison avenue. The Knackstedt girl was charged with failure to yield the right-of-way and was summoned for a hearing by Aug. 5.

**Auto Backs into Mishap**  
While backing out of a driveway, an auto driven by Donald A. James, whose address was listed as 302 Ferguson, struck the left front of an auto owned by Raymond Samson, 2515 Hodges avenue, which was parked in front of his home at 11:30 a.m. Wednesday.

**Right-of-Way Charge**  
George P. Louis, 39 Oaklawn drive, was arrested last week at 4:30 p.m. Wednesday on a traffic signal violation charge at 20th street and Madison avenue. He was summoned for a hearing by Aug. 5.

**Beloved Husband of Mrs.**  
Beloved husband of Mrs. MOTES, ATLAS, 2533 North street, entered into rest, 6 a.m. Wednesday, July 27, 1966, an Alton hospital.

## Reckless Conduct Charge In Eagle Park Shooting

A reckless conduct charge was filed Monday afternoon against Lucius Jordan, 33, of 510 Jackson street, West Madison, after he was questioned at the sheriff's office in connection with the shooting of Willie Lattin, 26, of 221 Hill street, Eagle Park Acres, July 22 near the Wagon Wheel tavern in Eagle Park. Lattin was wounded in the left arm.

Jordan, who had been arrested Sunday night by police on the charge of carrying a concealed and loaded .25-caliber automatic, appeared Monday before Magistrate Martin Hiscot on the county charge. No hearing date was set, but the public defender was assigned to his case and he was released without specific bond.

## Long Lake Fire Dept. Reports 4 Wheat Fires

The Long Lake volunteer fire department, 4113 Pontoon road, reported four wheat fires in the Pontoon Beach area on Monday. Because they were confined, no damage was done other than to the fields themselves.

Hot weather was termed the apparent cause of the fires at the four sites at Arlington Heights, the old Rod and Gun Club at State Route 33, and west of the 84 Lumber Company at the junction of highways 33 and 111 where two fires broke out.

**Ollie Motes;** dear father of Elmer, Kenneth, Dennis and Linda; Motes, Mrs. Jennie Mayes, Mrs. Virginia Craft and Mrs. Vivian Page; dear brother of Ellis Motes; dear grandfather, great-grandfather and great-great-grandfather.

## Playground Picnic Ends Park District Program

### Nameoki

MRS. DONNA HOGAN  
3305 Wilshire Drive  
TR 7-0127

#### HOSPITAL PATIENT HOME

Max Merz III, son of Mrs. Carol Merz, 4113 Maryland, returned to his home Monday following a week's stay in St. Marys Hospital, East St. Louis. He was being treated for a leg injury.

#### SWIMMING PARTY FOR CUB PACK 22

A swimming party held at the Paddlers swimming pool Sunday morning for members of Cub Pack 22 of Frohardt school as part of its summer activity.

Following the swim, the boys and their families motored to Wilson Park for a picnic lunch and games. The scouts and their fathers played a baseball game during the afternoon.

William Krause, cubmaster, announced that the next activity will be a trip to St. Louis to see a baseball game. The final date will be announced later.

Approximately 60 scouts and their families attended the outing.

#### LYDIA CLASS MEETS AT THIRD BAPTIST

The Lydia class of Third Baptist Church met Tuesday evening at the church for its July meeting.

Mrs. Vera Kirkpatrick, president, conducted the business meeting and the opening prayer was given by Mrs. Helen Lockery. Mrs. Helen Carrington gave the month's devotion.

The president reminded the members to continue to bring cans of fruit juice to the church for a project this month. The juice will be given to the Lincoln Place Mission.

Refreshments were served by Mrs. Kirkpatrick and Mrs. Marie Johnson to those named and Mrs. Juanita Brown, class teacher, and Mrs. Lorraine Tinker, Mrs. Mildred Ropchak and a guest, Mrs. Millie North.

The next meeting will be held Aug. 22 in the home of Mrs. Johnson, 2565 Iowa street.

#### WEEKLY MEETING OF DUPLICATE BRIDGE CLUB

A weekly meeting of the Granite City Duplicate Bridge club was held Sunday evening at the Elks club under the direction of Mrs. Helen Meyer.

Mr. and Mrs. Wray of O'Fallon were the first-place winners, Sam Meyer and Dr. Jacob Cohen second and Mrs. Gloria Valenti and Mrs. Bernice Grzesk, third.

The next meeting is planned for Sunday, July 31, when a win-

Over 250 moms, dads, and their children were present last night for the Granite City park district's "Summer Round-Up" concluding a successful summer of activities for the nine playground programs.

Mrs. Helen Bjorkman, area supervisor, made sure to point out that "I would like to thank the parents of the park district for all their help and for the cooperation of the children. They're all just terrific."

A family picnic was the feature of the evening before various other events got under way. But then, with the displays of handicraft by representatives from each school district, an Indian song by the pre-school age children dressed in colorful costumes and competitive games for all, attendance picked up to over 500 spectators for the "grand finale" of the summer show.

In the midst of the show, led by team captain Rusty Melford, Wilson school won the playground softball tourney, while co-captains Jim Chithers and Bill Schweighorn led Webster school to the junior title.

Watermelon, cold and juicy, was most enjoyed by Chuck Kraus of Niedringhaus who placed first in the watermelon-eating contest. Runner-ups were Ronald Burcham of Marshall and Ron Higgins of the Salvation Army center.

Nine mothers representing each of the nine school districts competed in the nail driving contest, with Mrs. Maxine Rutter song by the pre-school age children dressed in colorful costumes and competitive games for all, attendance picked up to over 500 spectators for the "grand finale" of the summer show.

## \*SOCIETY\*

### AMVETS PLAN FIFTH DIVISION MEETING

A meeting of Amvets Post 51 and Auxiliary was held last night at Post headquarters with Commander Rex Manning and Mrs. Betty Wilkins, president, in charge.

Plans were discussed for a meeting of the Fifth Division at the Post on Aug. 7 at 2 p.m. with Madison Post 204 as host.

Refreshments were served to 25 members of the two groups.

### CELEBRATE ANNIVERSARY AT FAMILY PARTY

Mr. and Mrs. Gary McFall, 2415 Iowa street, entertained guests at a family party and barbecue last night honoring Mrs. McFall's parents, Mr. and Mrs. Joseph Dallas, on their 25th wedding anniversary.

Also present were the Dallas' daughters Margaret and Norma, and Cynthia and Gary McFall Jr. and Joseph Grobbs.

During the evening Mr. and Mrs. Dallas received a congratulatory telegram call from another son-in-law and daughter Pvt. and Mrs. Patrick Doyle, stationed at Fort Belvoir, Va.

### CRADLE SHOWER FOR MRS. HIGSMITH

A pink and blue shower was given last night by Mrs. Jan Polach and Mrs. Barbara Mickan at the Polach home, 3401 Village lane, for Mrs. Jo Highsmith.

Decorations were pink and blue streamers and bows, and the guest list included Mesdames Renee Arnold, Helen Mickan, Judy Webb, Helen Pearson, Marlene DeHart, Della Lane, Lorraine Kuberski, Marcella Adams, Nellie Highsmith, Fanyne Einstein, Bettie Howard, Mary Lou Skinner, Margaret Buente, Virginia Turner, Jo Ann Allford, Thelma Cuvier, Cathy Grba, Ellen Spingler, and Miss Pamela Mickan.

### GC Girl, 6, Selected As MD Poster Girl

A Granite City girl, Judy Knies, 6, adopted daughter of Mr. and Mrs. Charles Knies, 409 Notre Dame avenue, Granite City, has been selected as the poster girl for the Muscular Dystrophy campaign.

Judy has been receiving therapy through the Muscular Dystrophy Association of Greater St. Louis since June 1965. The association is scheduling its annual Mayor's Cup Muscular Dystrophy benefit polo match at Lobmaster Field, Granite, Mo., on Sept. 25, with the Missouri Valley Polo Club to play the Minneapolis Polo Club.

### Vandals Damage House

Vandals entered the home of Wanda Huison, 224 Lynch avenue, through a basement window, it was reported at 10 a.m. Wednesday. A hole was knocked in the stairwell wall and sheffing was torn down in the basement garage and another hole was knocked in a wall between two basement rooms.

### Will Undergo Surgery

Mrs. Charles Peake, 2145 Pontoon road, who has been a patient at St. Elizabeth Hospital for the past ten days since sustaining a fractured hip in a fall, will undergo surgery next week.

## Judges, Aides Named for JC's State Jr. Sports Jamboree

The Illinois youth track and field champions will receive the best officiating and track maintenance care possible next week when the 574 contestants meet for the 11th Annual State Junior Sports Jamboree.

With a little more than one week to prepare for the meet, sponsored by the Illinois Jaycees and the Illinois Youth Commission, most of the judges, field officials and track aides have been named.

It has been requested by Dick Yates, head judge of the events, that if any of the persons mentioned in the official track and field listing below have not notified him for instructions, they should do so by calling him at WE 1-1793.

### Field Events

Officials for the field events, beginning at 1 p.m. on Friday, Aug. 5:

Head field judge, Bob Miller; assistant field judge, Walt Whitaker; high jump judge, Ken Spaulding; assistant high jump judge, Bob Bradley (IYC); high jump bar holders, Mark Rigby and Jim Ridemour; broom and shovel, one; baseball throw judge, Russ Chappell; assistant baseball throw judge, John Hampton; tape measure men, Al Brown and Enos Taylor (IYC); baseball throw markers, Dave Salitch and Jerry Jackson; baseball throw backstops, Chuck Bladick.

## Yates Outlines Procedures For Sports Jamboree Judges

Dick Yates, head judge of the Illinois State Junior Sports Jamboree this year in Granite City, has announced that the track and field judges and aides have been named for the Aug. 4 through 6th turnover.

Only a few of these officials, however, have responded in accordance with pre-meet plans in order to organize the three-day affair's daily schedule of events. Therefore, Yates has asked the Press-Record to print the following instructions:

—The persons who are listed in the official form for help in the running of the track and field events and have not contacted the head judge, should do so immediately.

Floyd Gordes (IYC); rake man, Rich Logan; strikers, Gene Livingston and Bob Woutowicz; hop, step and jump judge, John Miller; assistant to hop, step and jump judge, Lester Hart; tape measure men, Bob Hewitt and James Pech; rake man, Dennis Carver; strikers, two; trainer, doctor from Pittsfield and one more.

### Track Events

Officials for the track events, beginning at 5 p.m. Friday evening and 8 a.m. Saturday morning, Aug. 6:

Head judge, Dick Yates; starter, Bob Schmitt; assistant starter, Bob Miller; clerk of course, Russ Chappell; assistant clerk of course, John Modica; head recording clerk, Harry Lane; assistant recording clerk, Ralph Hennan.

Finishing judges—Jack Parker, Ken Spaulding, Bob Miller, Kenneth Al Lewis jr., John Sikora, Walt Whitaker, Larry Williams, Ray Fyalka, Pete Robinson, John Mullen, George Moore sr.; head timer, Dick Harmon; assistant timers, Gary Piroder and Maurice Hemphill.

Curve judges—John Modica, Mike Sikora, Carroll Sanders, Eric Robertson, Nick Pettilio, Norm Grote; exchange zone judges—Roger Smith, Don Sutton, Dale Rice, Ed Gonya, Gale Garde, Joe Fedora, Ralph Mangan, Ron Wood, George Olasky; finish yard, Keith Gendy and Ron Laws; block setters, Tom Neiber, Jerry Jackson, Don Butch, Chuck Bladick, Roger Lewis, Dennis Carver.

—All officials should wear dark pants and a short sleeve white shirt. A styrofoam hat will be furnished.

—All officials should report at least one hour before starting time. This should give the head judge a chance to substitute if necessary. Friday—report at 12 and 5 p.m., Saturday report at 8 a.m.

—There will be a meeting of all the officials on Thursday evening, Aug. 4, at 7:30 p.m. at the Tri-Mor Bowl. Attendance is essential. Events take place at the Granite City track and field complex.

—Any members of the Booster Club that would like to help please contact Dick Yates at WE 1-1793.

## Rotarians See Film On Arc Furnace

John McCammon, manager of industrial relations for the Laclede Steel Co., was guest speaker at Tuesday's luncheon meeting of the Granite City Rotary Club, and also showed a film on the new electric arc furnace and other facilities at Laclede's Alton plant.

Included among the new machines is one of the most modern pollution-elimination devices ever developed for this type of industry. The "dust collector" represented 20% of the cost of the new installation.

Alvin Barnes III was accepted as a new member, while Loren Davis, Alfred Gehlert, Raymond Ruffer, Glenn Abernethy and Rev. Alfred Buis were given recognition for having celebrated birthdays during the month of June.

Three other members—James Lewis, president William Theilke and Ruffer—will travel to Peru Marquette Lodge next week to meet for the district assembly meeting. It was decided the club will meet the Madison Rotarians in a golf match on Sept. 13.

**Marriage License Issued**  
A marriage license has been issued by Deputy Clerk Elvira Thurber to Pearl G. Bunselmeier, 2424 Sunset drive, and Lawrence E. Foy sr., of O'Fallon, Ill.

## Another 10 Acres will be Added to City

Granite City will be growing another 10 acres in a short time with city council action Monday night in authorizing preparation of ordinances for a tract along Maryville road in the vicinity of the new Parkway elementary school.

The annexation request by HWR Development Co., Henry Ross, president, has the sanction of the City Plan Commission. Apartment houses are planned under a second request for an R-5 multiple family dwelling zone classification. About two acres of the tract, already in the city, is zoned C-2 for commercial establishments, but the C-2 is to be changed to R-5. It was reported to the council.

### Boys Sweep Up Street

Police received a report at 9:55 p.m. Monday of boys throwing bottles in the street at 21st street and Delmar avenue. They were made to get a broom and shovel and sweep up the glass.

**20th-Madison Accident**  
A motor driven by Delbert Stanley Westcott, Tucson, Ariz., and Michael W. McIlvay, 2422 Benton street, collided at about noon Monday at 20th street and Madison avenue.

A petition for change in zoning of property in the 3700 block of Nameoki road, indicating further commercialization of the major thoroughfares, was referred to the City Plan Commission.

The joint petition was submitted by W. J. Steele, his wife, Ivy, and Mrs. Vera Stuart for property at 3703-3711 Nameoki road.

The zoning change requested is from R-2 single family dwelling to C-2 commercial.

**Reject Line Variation**  
Council members were out to knock out one of four recommendations by the zoning board of appeals in granting variations on property lines for added construction.

Turned down by the council was a frontage variation of six feet requested by Joseph Rill, owner, for an addition planned at Maryland Bi-Rite Market at 2201 W. Pontoon road.

Alderman Johnson called for the rejection, pointing out that 22 persons living near the market had petitioned the appeals board to turn down the proposal. The main objection was that the front of the proposed addition would block air to homes and the living farther away did not want further expansion to reach their property.

David John, chairman of the appeals board, was present and said the properties had been inspected by the board members and the approval of the 14-foot frontage area was agreed upon. Normally the building would be 20 feet back from the sidewalk, and the present store front is 24 feet back, he said.

The owner is to present the board with detailed drawings of the proposed 60x40-foot addition and the layout for parking.

**Variations Approved**  
Four lot line variations approved by the board of appeals and the council were granted to—Ralph Johnson, 2842 Ralph street, for a carport; Fred Hartline, 2012 Russell street, for a one-room addition; and Donald Shone, 3231 Westchester drive, for a carport.

Held in abeyance for approval by the city building inspector was the request by John Bechtie, 2112 St. Clair avenue, to erect an attached garage.

**Wittnauer**  
A PRODUCT OF LONGINES-WITTNAUER

**A Gift Suggestion**  
Whatever the occasion—birthday, graduation or just to say "I love you"—a Wittnauer watch is an eloquent expression of the giver's thoughtfulness and good taste. Why not see us soon and select that all-important gift from our collection of fine Wittnauer watches.

## City to 'Kick' Tickets On Emergency Parking

Authorization for the police department to cancel parking meters tickets issued near the hospital for persons there due to extended emergencies or to donate blood was given by the city council Monday night.

The action was taken in response to a request from the Tri-City Trades & Labor Council. Edwin Reiske, president, said several members have paid the \$1 fine after being given tickets for overtime parking "while donating blood to Granite Cityans."

Mayor Partry read a letter by the police department to a person given a ticket while at the hospital for an emergency that took longer than the meter time.

"This ticket was canceled by the police department because of the circumstance, so we don't need any council action," the mayor said.

However, Alderman Parmenter insisted on a vote.

An objection was made by Whitmer, who said the hospital should provide off-street parking for blood donors. "They have several lots, and it should be no trouble," he remarked.

Reiske had suggested the city install five-hour meters at the hospital.

**Man in Mishap Charged**  
Lendell M. Meacham, 1604 Courtenay blvd., was charged with failure to yield right-of-way with a control pressure after his auto collided with another driven by Gerald E. Whitmer, 2157a Benton street, at 3:40 p.m. Monday at 17th street and Delmar avenue. Meacham was summoned for a hearing by Aug. 4.

# An Illinois Air Purity Viewpoint

## Economic, Technical Feasibility Ignored

(Second of six Tri-Cities Man a technical analysis of the St. Louis-Louis-Danville area air quality and the development of an effective interstate compact air purity organization representing the states of Illinois and Missouri.)

The regulation which has been proposed for controlling particulate emissions in both the narrative of the Interstate Air Pollution Study report and in the suggested ordinance, found on page 37 and page 181, "prohibits the San Francisco 'Verba Weigh' Code."

Having personally lived in the San Francisco area for three years, William F. Hoelcher, general manager and secretary of the Manufacturers Association of the Tri-Cities, said that neither the climate, topography, land use nor the economy of that foggy, aseptic, mountain-protected financial-outpost-and-recreational center bears any correlation to the bulk of the land use which comprises the St. Louis metropolitan area.

"This type of 'code plagiarism' is a most illogical, unscientific and unsound approach to solving the air pollution problem of our area."

If such "code" comparisons were to be made for the East Side of the St. Louis metropolitan area, we should expect that one might more properly turn to the provisions of the laws governing the Chicago, Detroit or Pittsburgh areas, whose physical locations and heavy metal industry economies are more similar to our own.

**Competitive Disadvantage**  
Most assuredly, neither the Illinois nor the Missouri Air Pollution Control Boards could arrive at "economically feasible" control regulations applicable to the St. Louis metropolitan area if the area's major industries are to be put to the competitive disadvantage of centers not called for in the other large, heavy-industry centers in the country.

With regard to the "process weight code" methodology, it is apparent that such a code requires the disclosure of data which could be extremely useful to the competitors of the firms given manufacturer in all lines of industry.

The degree of competitive disadvantage increases as the size of the industry decreases.

Such regulation further requires the disclosure of information concerning secret processes. The "process weight code" methodology is not only an unwarranted intrusion into the commercial function of a firm, but out the necessary attendant benefits to the public in cleaner air.

but it is also unnecessary. Adequate protective emission control standards are well documented by all major manufacturing processes.

Each individual manufacturing unit has an economy and technology peculiar to it. Only those emission limits which are reasonable, in terms of that manufacturing unit's ability to technologically or economically meet the limit, have any chance whatsoever of being observed in the long run.

A single table which attempts to achieve uniform limits across the board for all manufacturing operations, however diverse, might be a central control, but technically, such a table borders on being foolish. At such a time, the proliferation of "variance" applications and administrative hearings procedures.

Such rules are not only unreasonable because they are unattainable, but they also spawn contempt for the basic law itself.

While we will not discuss specific proposed regulations, individual air contaminants at this time, we do wish to observe that the regulations concerning sulfur dioxide are important for two reasons.

**Inadequate Gas Supply**  
First, the St. Louis metropolitan area is critically short of firm supplies of natural gas for industrial purposes.

For some years, area industries have been seeking, without success, a new gas pipeline or at least additional supplies of natural gas for the existing pipeline company.

Secondly, the industrial fuel burning, originated air pollution problem areas could be improved if adequate firm natural gas supplies were available.

Secondly, the regulations proposed on pages 83, 95 and 96 would forbid the use of Southern Illinois soft coal, one of the largest of such coal areas in the world.

While low-sulfur coal is available in Illinois, such coal is an absolute essential for the production of metalurgical coke and should, from the natural resource management standpoint, be reserved for that purpose. It is apparent that the sulfur-in-fuels regulations would drastically affect the economy of all of southern Illinois.

Lastly, the proposed regulations suggest that the Ringelman "smoke" chart is to be applied to stack emissions which are emitting more than carbonaceous material. Such a proposal is without technical justification. (Next: Smoke plan really a smokescreen.)

## A. P. Green Sales, Income Increase

Consolidated net sales of A. P. Green Refractories Co. for the six months ended June 30, were \$34,383,362, an increase of 16% over sales of \$29,615,538 for the corresponding period in 1965. It is set forth in the company's semi-annual report to stockholders.

Net income after taxes, the report continues, was \$2,202,504, equivalent to \$1.41 per share, as compared with \$1,688,353, or \$1.13 per share for the same period a year ago. The firm has an office-warehouse here at 20th street and Railroad tracks.

Second quarter sales, the report states, were a record \$18,564,502, a 10% increase over sales of \$16,892,320 for the second quarter of 1965. Net income after taxes for the second quarter was \$1,286,597, or 83 cents per share, a 29% increase over net income of \$1,081,190, or 73 cents per share for the same quarter a year ago.

"It is anticipated," the report continues, "that a fairly high level of shipments will be sustained over the next few months, in view of the current business outlook and the sizable increase in the backlog of unfilled orders which has accumulated since the first of the year."

The company's new plant at Freeport, Tex., to produce periclase used in the manufacture of basic refractories should be completed during the early part of 1967, the report states. "Also under way are a number of improvements at the Mexico, Mo., and other plants."

A construction program involving a major rearrangement of production facilities is taking place at the Mexico plant. These capital expenditures are being financed by an additional

## Cosmetology School Opens Sunday at SIU

Advance registrations indicate a record enrollment for the 12th annual School of Advanced Cosmetology opening on Southern Illinois University's Carbondale campus Sunday.

The ten-day course is sponsored by Southern's division of technical and adult education and the Illinois Hairdressers and Cosmetologists Association as a "graduate school" for practicing members of the profession.

Long-term bank loan in the amount of \$4,500,000 and generated cash.

## GC High School Teacher Attends Science Seminar

Edward Gonwa, 2812 East 25th street, is among 60 junior and senior high school teachers from 23 states enrolled in a six-week science institute this summer at St. Cloud (Minn.) State College.

Gonwa, who is a teacher at the senior high school, received stipends and travel allowances to the institute whose purpose is to bring teachers up to date on recent developments in science and science teaching. Biology, chemistry, physics and earth science are the topics being studied.

## Army Depot Swim Pool May Open to Public

In the event that necessary requirements are met, the report states that his office had just been notified of this program, but that City Army Depot's swimming pool will be opened to needy children in the near future, according to an announcement Tuesday from the nation's capital.

The Office of Economic Opportunity and the Pentagon are combining their efforts with directors of the depot so that times and schedules can be planned. Lt. John Burnett, officer in charge of the swimming pool, said that his office had just been notified of this program, but that City Army Depot's swimming pool will be opened to needy children in the near future, according to an announcement Tuesday from the nation's capital.

## Madison County Economic Opportunity Commission, said he would contact the depot immediately in order to collaborate their efforts on the program.

Arrangements are being made by the Department of Defense to provide insurance for youngsters who will swim in the military pools.

### M/Sgt. Sykes Trains As AF Recruiter

M/Sgt. Harlen W. Sykes, son of Mrs. Bertha Sykes of 3011 Burton avenue, has completed the special U.S. Air Force recruiter course at Lackland AFB, Tex.

Sgt. Sykes was previously assigned at Sheppard AFB, Tex. He was picked for the special assignment as a volunteer with an outstanding military record. The sergeant was trained in 11 areas of study, including the Air Force job classification system, testing procedures and community relations to broaden his qualifications for presenting the facts of Air Force career opportunities to young men and women.

The sergeant is a graduate of Madison high school and is a veteran of the Korean War. He is married to the former Betty L. Cochis.

### Music Under the Stars Tonight

## Local Talent to Perform With Banjoist Schirmer

Local talent also will be featured during this evening's "Music Under the Stars" concert at the Wilson Park's 27th-street entrance that will feature guest artist Joe Schirmer, King of the Banjo.

The final concert of the season, directed by Warren G. Simpkins and sponsored by the Granite City park district, is entitled "Music for a Summer Evening," and will include vocal, dance and instrumental solos. The performers will be Mrs. June Branding, soprano; Randy Chandler, trumpet; Ray Voorhees, vocal solo; Richard Judd, vocal solo; Debbie Seibold, dance solo; Debbie Smith, dance solo; Al Stevens III, vocal solo; Howard Mason, vocal solo; Robert Butler Jr., comedy reading and master of ceremonies.

Miss Janice Veltz will be the accompanist.

The three earlier concerts have been attended by hundreds of park citizens, many of whom carry their own chairs or blankets to watch the performances.

The stage is located near the park entrance at 27th street and Delmar avenue.

### Guest Speaker

Dr. Paul Ehly, a representative from the National Benevolent Association of Christian Churches with offices in St. Louis, will be guest speaker Sunday at the 10:45 worship hour at Central Christian Church, 2020 Johnson road.

### Stan Musial Addresses Jamboree for President

This year's Illinois Junior Sports Jamboree has invited President Johnson to attend its three-day meeting from Aug. 4-6.

Because time does not permit him to fill the many requests he receives for personal messages, the following congratulatory letter was presented to the Jamboree staff from Stan Musial, consultant to the President on physical fitness.

"I welcome the opportunity to join the President in extending our congratulations and warmest personal greetings to the participants of the Illinois State Junior Sports Jamboree.

"I want to express my thanks to those who have made this event possible. They are not only increasing physical fitness oppor-

tunities, but broadening the range to those who have made this event possible. They are not only increasing physical fitness oppor-

tunities, but broadening the range to those who have made this event possible. They are not only increasing physical fitness oppor-

tunities, but broadening the range to those who have made this event possible. They are not only increasing physical fitness oppor-

## Illinois Peaches Being Harvested In Nearby Areas

The first volume supplies of an estimated 710,000 bushel peach crop are now being harvested in Illinois orchards.

Due to the extremely high temperatures that have prevailed throughout most of the midwestern states, added to a shortage of moisture, the Illinois peach harvest schedule is about one week late.

Redhaven, of which approximately 71,000 bushel is anticipated, will be the principal variety harvested during the next week. The general areas of Jackson-Union counties were scheduled to begin Redhaven harvest over the weekend. Growers in Jersey-Calhoun counties calculated harvest would begin this week. Size will run to two inches up packed primarily in 3/4 bushel wire-bound.

Subsequent varieties, anticipated beginning harvest dates and volume are as follows: July 27-29—30,000 bushel. Redskin and Elberta—Aug. 10-12—30,000 bushels. Rio-Oso-Gem—Aug. 20-22—50,000 bushels. Several miscellaneous varieties will also be harvested during this period.

Summer Apples  
Duchess harvest is in full swing in the southern production area and picked up volume in southwestern Illinois, Aug. 1, in central Illinois.

Isolated hail damage and dry weather has had some effect upon the fall apple outlook. At present, prospects are for a two million bushel crop.

"The scope and growth of state services needed by the citizens of Illinois makes it vital that we recruit the finest available personnel to work in the agencies covered by the personnel code," she said.

"At the present time in Madison county, we need a nurse 1, with a monthly salary range of \$385 to \$545; rehabilitation counselor 1, \$405 to \$745 monthly; and social worker 1, \$470 to \$705 monthly."

She said a nurse 1 performs professional nursing services and assists, gives guidance and direction in many other phases of nursing.

A rehabilitation counselor 1 provides guidance, counseling and services in assisting physically and mentally handicapped persons to become vocationally competent.

A social worker 1 performs a variety of beginning level casework services, applies social work knowledge, skills and principles to specific problems of children, adults and their families, assists higher level social workers in various casework and licensing functions, and participates in studies of foster care for licensing or for placement of children and adults.

## Junior Sports Jamboree Here Next Week

An epidemic of Olympic fever is expected to hit the Quad-City area next week, as the community prepares to greet the 574 boys and girls who will arrive on next Thursday, Aug. 4, to take part in the state finals of the 11th annual Illinois Junior Sports Jamboree. Gov. Kerner will take part in the ceremonies on Aug. 6.

The campus of Granite City high school and Coolidge junior high will be transformed into a miniature Olympic village, as the junior high gymnasium is converted into a mass dormitory for 302 boys and their chaperones, and the girls' gym at the high school becomes a dorm for 272 girls.

Chartered buses from all parts of the state will begin rolling up to the junior high entrance at 6 p.m. next Thursday. Members of the Granite City Jaycees and their wives will be on hand to greet the arrivals, register them, and distribute bus supplies.

Shortly after 5 o'clock, the largest group will arrive, as the Gulf, Mobile and Ohio train discharges more than 200 passengers from Chicago, Joliet, Bloomington and Springfield. Special buses will meet the train at the depot.

An evening of continuous entertainment, featuring an outdoor dance with music by "The Invaders," will be provided until 10 p.m. and at 10:30 there will be "lights out" in both dormitories.

Friday's big day will begin at 8 a.m. with a parade. Store-

fronts and light poles will be festooned with pennants and bunting for the occasion, and "welcome" signs will greet the young champions from many distant play windows.

A motecade of state and local dignitaries to open convertibles will lead the parade, and the contestants will follow, riding in the stands for the traditional symbolic Olympic torch will lead the procession into the stadium, where opening ceremonies are scheduled for 10:30 a.m.

All contestants will remain in the stands for the traditional track clinic, at which rules of the meet are spelled out and demonstrations are given of starting procedures and techniques.

Following lunch, the competition will begin at 1 o'clock with field events: hop, step, and jump for the midlets, broad jump for the juniors and intermediates, and high jump and baseball throw for all classes. All events Friday afternoon will be final.

An early supper will be followed by the start of the track preliminaries, at 6 p.m. The track events will continue under the lights and will be followed by a watermelon party and outdoor dance.

Track finals are scheduled for Saturday morning, starting at 8 o'clock. Luncheon will be served in shifts, to permit the start of the awards ceremony promptly at 1 o'clock in the main gym of

the high school. On hand for the awards ceremony, to greet the contestants as they come through the winner's arch to claim their trophies, will be Gov. Otto Kerner, Illinois Youth Commission chairman John A. Trolle, and Wayne Kern of Macomb, state president of the Jaycees.

The trophies will be presented by "Miss Granite City," Lois Huelskamp, and her court, John Stroehde and Lynn Ann Boswell.

The contestants will board the buses for the homeward trip at approximately 3:30. The last contingent to leave will be the train passengers, who will board the northbound GM&O at 5 p.m.

All events at the stadium and the Saturday afternoon awards ceremony are open to the public. Programs, listing all contestants by name, number, and hometown, will be distributed at the gate. The Junior Sports Jamboree is a statewide program for youth fitness and delinquency prevention, sponsored by the Illinois Youth Commission and the Illinois Jaycees. An estimated 50,000 boys and girls have participated in this year's Jamboree, competing in local meets held in nearly 200 different towns. Winners in each area advanced to sectional competition, and the finalists from each of the 12 sectionals then earned the expense-paid trip to Granite City as guests of the Youth Commission.

## Local Corn Growers Ship to London Port

For four weeks this summer Londoners in England will be eating fresh corn on the cob grown in Madison county.

Witt Engelke, Harley Wilkard and George Powell are the local growers who have taken up this venture, which they hope to turn into a contract with the European country, next summer.

The corn, over 15 tons of it, will be sent this week by a refrigerator trailer truck, cooled at 38 degrees, to New York. From there it will be shipped out by boat to Amsterdam, Holland, with eventual portage to London.

Dwight Davis, co-ordinator of the Quality Vegetables Growers Association of Illinois, which sponsors the shipments through the first week of September, went by plane several days ago to meet the incoming cargo. He will direct its distribution and unloading at the London port.

Engelke said, "This program is now on an experimental basis. Coupled with similar shipments of last summer, we specified growers sponsored by the Illinois Agriculture Association hope to develop an exporting trade with overseas communities. If a contract is agreed upon, it also could include both grain and livestock investments."

Four shipments are to be made to London this summer, running through September. The first two will be made from Madison county, with the rest coming from Cook county. The latter two exports will total over 20 to 25 thousand tons of corn.

## Student Interest Shown in Forming Junior College

Area high school students have indicated a strong interest in obtaining higher education, according to a recent survey conducted by the Lewis and Clark Educational Foundation. Corresponding interest in an area community college was very high.

The student survey showed that about 50% of the juniors, both male and female, indicated a desire to go to college, with an additional 15% indicating a desire to attend a trade or technical school. The necessity of having either a scholarship or going to work was expressed by about 60%.

The survey was given to more than 4000 high school juniors in Madison, Jersey, Calhoun and Macoupin counties. This is the area being considered by the Educational Foundation for a community junior college.

45% Would Attend

"We were surprised to learn that more than 45% of the students indicated they would attend a community college if they were able to attend a four-year college in their first year," commented John Mellott, public relations chairman for the foundation.

"With the tremendous increase in college enrollment and the continually rising standards of excellence, plus tuition costs, the importance of the community college gains tremendous significance."

The attitude expressed by these students underscores the excellent reception received by the idea of a community college in this area as well as the successes achieved by similar colleges in other areas," Mellott commented.

Business, Engineering

Business-commerce was the favorite college program selected by the female students, followed by teaching. On the male side, engineering was, by far, the most attractive college program.

More than 80% of the high school juniors had a generally favorable attitude toward their attending a community junior college. An example of support for this statement came from

**INVADERS ROCK-AND-ROLLERS** of Granite City booked to play Thursday nights in Bruno's Bat Cave in St. Louis. They are, left to right, Barry Ebbling, rhythm guitar and lead vocal; Herman Schermer, organ; Johnny Rabbitt, Gary Vaindever, lead guitar; Ron Valcott, bass guitar; and Steve Scarborough, drums.

## Chordells Combine with Checkerboard Squares

The Chordells, a new rock-and-roll band of junior and senior high school boys, provided live music for the Checkerboard Squares and the Y-Twirlers for the first time at a session at the YMCA this week.

Bob Boyd, director of the dancing groups, said the combined efforts ran smoothly with the use of muted amplifiers.

Members of the band are Jerry Braswell, Ricky Rose, Dale Orender, Rich McCart and Ken Wyatt.

## Full-Time Use of SIU Proves Tax Bargain

Operation of Southern Illinois University on a four-quarter, year-around basis is proving to be a bargain for the taxpayers, according to SIU President Delvite W. Morris. More students are taking more classes at less cost to the state per unit of study.

"What is even more important," he added, "the university is keeping faith with the younger generation which has had a legislative promise of a chance at higher education."

Southern Illinois University is one of the few state-supported schools where high school low-achievers are given their chance, via the summer quarter, to demonstrate their latent abilities, Morris said. "This is possible only because our facilities are used full-time."

In 1963 the summer quarter enrollment at the Carbondale Southwestern and Vocational Technical Institute campuses was 7786, of which 1430 were freshmen. In the 1964 summer terms the total enrollment had increased 29%, to 9380, of which 1853 were freshmen, an increase of 29%.

During the 1965 summer quarter the total enrollment was 11,173, up 19%, while the fresh-

## Girl Scouts in Final Session at State Park

The third and last session of the River Bluffs Girl Scout council's established camp is under way at Pere Marquette State Park near Grafton.

Mrs. Richard Chrysler, camp director, said the pace slowed on hot days, but it gave the girls an opportunity to observe the "snout-nosed" butterfly which one of the counselors believed to be rare.

She also reported that the Viking unit, based at Lake Jacks-ville, was working on an intensified water program with sail boats, canoes and swimming taking up most of the time. Mrs. Thomas McCahey of the River Bluffs staff is the unit leader of the specialized unit.

Girls attending the camp at Pere Marquette are Phyllis J. Benoit, Camille A. Bischof, Candace A. Bischof, Sharon L. Busch, Karen S. Carve, Kathy L. Coyle, Susan G. Davis, Donna A. Ely, Rita L. Ely, Elaine J. Gaylick, Sherri Lee Holt, Karen S. Jaros, Patti L. Kavula, Debby S. Lake, Sheila E. Mangan, Judy L. Morris, Deborah L. Reid, Sheila Rae Reynolds, Kathy A. Ritchie, Annalouise Schillinger, Pamela Throno and Cecilia Jane Weiss, all of Granite City, Linda M.

man contingent numbered 2757, an increase of 45%.

This summer quarter the registrar's office reports 12,672 students enrolled, up 19% over 1965. Of this number 3459 are freshmen, an increase of 25%.

## Corcoran Art Show To Open at SIU-SW

The Corcoran Biennial of American painting will open at Southern Illinois University's Southwestern campus Friday and continue through Aug. 23.

Established in 1907, the Corcoran Biennial is designed to present to the public a view of the current scene in American painting. The works are chosen from the broadest spectrum of style and taste and, in recent years, both invited and juried sections have been included.

Open to the public without charge, the exhibit at the SIU-SW Campus will be in Room 3305 of the new Peck classrooms building and can be seen from 8 a.m. to 5 p.m. Monday through Friday.

## Park District Surveying Summer Center Program Needs

Although the Granite City park district playground programs are being successfully conducted at nine school centers in the Quad-Cities, Mrs. Helen Bjorkman, area supervisor, and several park officials are making a survey to improve next summer's schedule.

A questionnaire sheet is being handed out to school children in three divisions—junior, middle and high. With a weekly attendance amounting to 10,000, with participants ranging from preschoolers to young adults, this is definitely no small job, she noted.

When this portion of the survey is completed, a ballot count will then be taken tomorrow to record the likes and dislikes of the youths.

The summer recreation program features handicraft, special events, weekly tournaments, a baseball school, tennis, bowl-

ing and various other games and sporting events.

Yesterday afternoon the fifth and sixth grade in the nine-school organization visited Scott Air Force Base in Belleville. During the evening all of the children, their parents, friends and neighbors celebrated the Pam Wyatt.

Beginning at 6 p.m. the gala gathering was treated to entertainments from the playgrounds, an annual watermelon-eating contest by the 12-year-old boys, a nail driving contest with members of the "best" hammerin' mothers from each school, and handicraft displays.

After seven weeks of competition and with little more than a fortnight to go, the recreation staff announced its weekly and special events winners.

Logan—hat show: Barbara Jeff Beaty (best groomed), other

pets: Sherry Beaty (biggest Siamese cat), Jeff Beaty (smallest

Tudor Turtle), Judith Stinson (best trained—hen), David Blum (youngest), Patty Aimes (most unusual), Paula Mefford (best costume—Green Hornet), Sharon Duke (best groomed—Tiger), Gary Phelps (Paul and Paula—most lovable), bubble-gum blowing: Lori Crow, Sharon Duke and Jimmy Fisk, non-hockey: Patty Dochwat and Greg Robertson.

Niederhaus—hobby show: Jeff Pulaski and Susan Patton (most unusual), Pat Morris (most objects), Bobby DeCourcy (largest objects), Kenny Perout (prettiest), Cathy Batson and Joel Schlegel (best displayed), Jimmy DeCourcy (top spinning), Karne Ebrecht (rope jumping), Joan Kraus (hopscootch), Chris Batson (frog jumping), Robin Waggoner, Jon Schlegel, Tim Batson and Jean Todd (croquet).

McKinley—newspaper costumes: Kimberly Rapp (cutest), Cheryl and Elaine Bellus (most colorful), Brian Beljanski (most original), Karen Sarich (storybook character), Carol Kinney (prettiest), sport winners: Mary Brawley, John and Mike Mitchell, Deanna Whitsell, Joseph Beil, Linda Baumann.

Webster—talent show: Michael and Stephen Sotiroff (most talented group), Julianne Papp, Kathy Jonnigan, Debbie Slavits and Barbara Graham (best costume), Debbie Bird (most planned), Brad Edwards, Gerald Slavits, Rory Jones and Harold Papp (best all-around entertainment), Ray Hoffman, Brad Edwards and Alan Burris (first, second and third most talented singer), Jo Elaine Foster, Cathy Taylor and Paula Werth (best planned), Brad Edwards, Dennis Sedabres and Steve Hoffman (funniest), sport winners: Becky Childers, Patrick Pander, Cindy Brooks, Linda Martin, Randy Phillips and Stephen Sotiroff.

CANOE UTILIZED in a life-saving course now under way at the Wilson Park swimming pool. Demonstrating use of a capsized canoe are, left to right — Judy Stille, Richard Judd, Sharon Kunnemann and Steve Conway.

## Life-Saving Course

Set Aug. 15 at Park

A second junior and senior life-saving course will begin at the Wilson Park swimming pool on Aug. 15, Richard Judd, pool manager, announced.

Sessions will be held from 10 a.m. to noon Mondays through Fridays for two weeks.

Judd said the course is being scheduled because of the heavy demand, and no other such courses are being held here this summer. More than 30 persons are enrolled in the course now under way.

## Illinois State Ranks

6th in Teacher Output

Illinois State University ranks sixth in the nation in production of potentially certificable teachers, according to a report compiled by the American Association of Colleges for Teacher Education.

The report, based on 1965 figures, lists Illinois State as having 1194 graduates, qualified for certification to teach, compared with 1942 the year before. Michigan State University was the 1965 leader with 2000 followed by San Jose (Calif.) State College with 1361.

The report stated that the 40 major producers of new teachers graduated 35,315 persons who were eligible for certification, an increase of 4154 over the previous year.

Totals for other Midwestern universities in the top 40 include Southern Illinois, 1538; Western Michigan, 1313; Ohio State, 1233; Eastern Michigan, 1194; Indiana University, 1113; University of Michigan, 1077; Ball State, 1022; Central Michigan, 856; Northern Illinois, 838; Indiana State, 797; and State College of Iowa, 721.

area of the depot. The sessions are designed to familiarize YOCs with depot operations and the federal service in general.

## PRICING FRUIT at the Granite City Army Depot

As a member of the Youth Opportunity Campaign, Miss Culppepper has the benefit of cour-

teage girls are encouraged to part of their earnings by participating in a special YOC bond drive.

Each Thursday she attends a session on a major functional

## Expert Says Teenage Girls Need Better Diets

Surveys show that six of every 10 teenage girls aren't getting enough of the right foods for proper health, it was emphasized today by Mrs. Catherine Mauck, Madison county home adviser.

"That is," Mrs. Mauck said, "they get two-thirds or less of the nutrients recommended for their age by the National Research Council."

This is in spite of the higher nutrient needs for teenagers than any other age group.

The nutrients most commonly lacking are calcium, vitamin C and iron, she added.

One nutritional problem of the teenage girl is skipping breakfast. However, breakfasts with fruit juice, milk and cereal are quick to prepare and will provide needed nutrients.

Although adults can't solve the problem of inadequate teenage diets, they can stress the relationship between appearance and nutrition. For pep, energy and good looks, proper nutrition is needed.

For health and vitality, the wise teenage girl will eat three good meals a day and choose her snacks carefully.

## High School Students

Add Young Look to SIU

Someone must have discovered the fountain of youth on the Southern Illinois University campus, Carbondale, one might surmise from the vast number of youthful faces seen here this summer.

Right now nearly 400 pre-college young people, some of whom still have two years of high school study remaining, are learning while living in the vacation-like setting of a Southern Illinois recreation area.

Some of the ones enrolled in communications, science, music, and art workshops for high school students.

Add these to the 2239 freshmen among the 8478 enrolled SIU students at Carbondale, and the campus is looking younger than ever before!

School Calendar Ok'd For Madison Schools

Madison schools will open Aug. 29 and close on May 26 of next year, according to an official school calendar formally adopted by the board of education.

Holidays will be observed on Labor Day, Sept. 5; Veterans Day, Nov. 11; Thanksgiving, Nov. 24-25; Christmas holidays, Dec. 22; New Year's Day, Dec. 30; Lincoln's birthday, Feb. 12; and Easter holidays, March 23.

Schools will be dismissed for teachers meetings and institutes on Oct. 14, Oct. 28 and April 7. The Christmas holidays again will be abbreviated, with the last day of school on Dec. 22, a return on Dec. 27, another recess on Dec. 30 and a return on Jan. 3.

The calendar contains 182 teaching days and three institute days.

## GCHS Urges Students To Obtain Transcripts

All new students in the community planning to enroll in Granite City high school for the next school year are being urged to obtain their transcripts from their other schools and have them sent here, Lawrence McCauley, principal, announced.

He said transcripts are necessary to properly enroll the students.

McCauley added that any school drop-outs who plan to return to school should appear for enrollment now.

Maddox Named Freshman Camp Counselor in Texas

Bob Maddox, 2838 Michigan avenue, will be among 115 freshman camp counselors at the Texas A&M University three-day camp Sept. 10-13.

The camp will be at the Lakeview Assembly grounds of the Texas Methodist Conference near Palestine. Worship, fellowship and recreation are woven into a general theme of introduction to university life at the camp.

## For a Greater St. Louis, our pipeline supplies 5 times as much natural gas on peak days as it did 20 years ago.

Gas delivered to your gas company and to industry measures the growth of your area. The volume of this economical "clean-air" fuel reaches its peak on winter days when the need for gas is greatest. Firm supplies of gas for our pipelines will increase by 100 million cubic feet per day this fall and our underground storage facility continues to grow. On a peak day this year we will deliver approximately 650 million cubic feet of gas to the St. Louis Metropolitan area—more than five times as much as in 1946! Transporting natural gas through underground pipelines is our business... and we will continue to supply the vital energy for the vigorous, healthy growth of this area.

## Youth Focus

### Roca Plans Annual Musical in Sept.; Car Wash Saturday

The Roca Young Men's Club will hold its "Roca Returns to Broadway" musical Sept. 8, 9 and 10 at the 300 room of the Tri-Mor Bowl.

Tickets will go on sale Aug. 2, and reservations will be accepted in advance by cash only. The club held its first rehearsal for the show after a business meeting Tuesday night at the Moose lodge.

Plans were made for a club car wash from 10 a.m. to 7 p.m. Saturday at the Gitchy service station, Johnson and Nameoki roads. Tickets may be purchased from any member.

### Graduate Fellowships Now Available at SIU

A limited number of graduate teaching fellowships and faculty and undergraduate exchange opportunities are now available at Southern Illinois University, Carbondale, under the cooperative project between SIU and Winston-Salem (N. C.) State College.

Dean Elmer J. Clark of the SIU College of Education announced they were made possible through part of a \$150,000 grant from the U. S. Office of Education. Clark is coordinator and Donald Robinson is the associate coordinator of the SIU phase of the program.

Four graduate fellowships to teach on an internship basis at Winston-Salem are available for the 1966-67 academic year. Candidates, who should be at the doctoral level, will receive a grant of \$6500 for the nine months, plus \$400 for each dependent. Preference will be given those majoring in reading, mathematics, and English. Interested persons should contact Dean William Simeone of the SIU Graduate School.

Candidates at the sophomore or junior level, in good academic standing, will be considered for five available positions under the undergraduate exchange program. Those selected will receive an academic award of \$1200 that will provide for all tuition, out-of-state fees, board, room, and laundry, and will allow for three round-trip bus fares to Winston-Salem. Applications, which should be addressed to Donald Robinson, department of higher education, SIU, Carbondale, must be made no later than Aug. 10.

### Short Summer Courses At Normal Aug. 15

Registration for the 1966 three-week session at Illinois State University at Normal will be held Monday, Aug. 15. Classes of varying length will be offered by 12 university departments during the session beginning that day.

The departments taking part in the program include agriculture, art, biological sciences, business education, education and psychology, English, geography, health and physical education, industrial arts, mathematics, physical sciences, and social sciences.

Also scheduled for the post session are seven workshops: duplicating skills for teachers (one week); elementary art, sculpture, reading in elementary schools, reading problems, welding (two weeks each); federal and state programs (three weeks).

### 'Emergency' Foster Homes Needed in Tri-Counties

A seriously ill widow is rushed to the hospital at 1 a.m. Who can be found to care for her three small children?

If there are no relatives or friends available, the responsibility goes to the Illinois Department of Children and Family Services, a Tri-Cities Area United Fund Agency.

#### Glass at School Shot

Vandals shot a pane of glass on the south side of Parkview school, patrolmen discovered at 9:50 p.m. Monday. There was no entry.

Ideally, the children are taken immediately to an "emergency" foster home in which four to eight children can be cared for on short notice.

But at the present time the Quad-City-East St. Louis District, which covers the counties of Madison, Monroe and St. Clair, has only one such "emergency" home, according to Mrs. Catherine Stookey, social work supervisor. "We are in critical need of at least eight emergency foster homes," Mrs. Stookey said.

With the Illinois Child Abuse Law in effect, the department

receives more and more referrals of children who are neglected, abused or left unsupervised. Complaints of such cases come at any hour of the day or night.

When they are verified by investigation, the Department often has no choice but to place the children in foster care at once.

"The emergency home might have a variety of children at one time—ranging from infants to teenagers," Mrs. Stookey explained.

"Thus, the foster parents must be prepared for 2 a.m. feedings or for sending an older child off

to school."

Foster parents in emergency homes work closely with department social workers and psychologists to determine each child's special needs so that the best permanent arrangements can be made for him.

Anyone interested in more information about the foster home program should contact Mrs. Catherine Stookey by writing to the Illinois Department of Children and Family Services, 508 Federal Building, 435 Missouri avenue, East St. Louis, or by telephoning UP 5-2400.

### DONALD J. GRAVILLE

### Graville Selected Outstanding Cadet In CAP Group 13

Cadet Lt. Donald J. Graville, 17, son of Mr. and Mrs. John Graville, 722 Washington avenue, Madison, has been selected as the outstanding male cadet in group 13, Illinois wing of the Civil Air Patrol.

He was the unanimous choice of the selection board composed of Lt. Col. James R. Howard, CAP group commander, and Tom K. Combs, Harry O'Connell and Lewis-Clark cadet squadrons respectively.

Selection was based on leadership, integrity, sense of responsibility and professional competence. A member of the Civil Air Patrol since March 1963, Graville has progressed through the aerospace educational program, perfecting leadership techniques in each phase.

He is cadet commander of the Granite City squadron, represents it on the group 13 cadet council and is the group alternate representative on the Illinois wing cadet council. The cadet program is open to boys and girls between 15 and 18.

The cadets flew 25 hours of orientation flights last month and are working in their classes toward passing the FAA written exam for pilots.

During the summer the cadets served to help control crowds watching the Blue Angels team when they performed at a control tower dedication at Civic Memorial Airport, Bethalto.

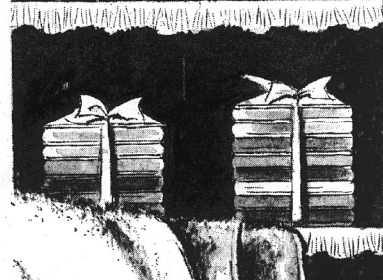

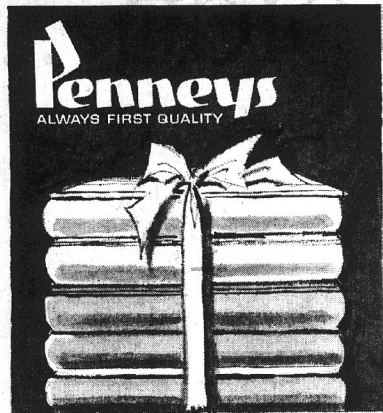

They met members of the Blue Angels and received their autographs. The Granite City squadron meets from 7 to 9:30 p.m. Thursday in the Civil Defense building on 19th street.

### Driver in Crash Chats And Then 'Takes Off'

A motorist whose auto was damaged in a collision at 12th street and Madison avenue Monday night had no means of giving Madison police pertinent data about the other driver and auto.

Jerry W. Henderson, 2224 Edison avenue, whose car was damaged at the rear when struck by the other auto, told police he chatted with the other driver who admitted he had no driver's license.

When Henderson went to telephone police, the other driver sped away. Henderson told officers he was unable to give a license number because there were no state plates on the hit-run auto.

## General Steel Reports on Sales

General Steel Industries, Inc., reported consolidated net sales of \$10,981,574 in the three months ended June 30, with earnings for the second quarter of \$1,181,882, equal to 53 cents per share. W. Ashley Gray Jr., GSI president re-announced Monday. This compares with sales of \$10,605,549 and earnings of 53 cents per share in the first quarter of 1966.

For the first six months of 1966, GSI reported total sales of \$35,587,223 and earnings of 86 cents per share, compared with \$42,562,455 and earnings of 90 cents per share in the comparable period last year.

Gray noted that the second half of 1966 "should show a further improvement in earnings, and the year as a whole expected to be substantially better than 1965. Our improved earnings, however, will be without an important contribution from St. Louis Car Division," he said.

He attributed the drop in sales for the first half of 1966 to lower volume at the car division and said that "GSI's increased earnings for the first half of this year were obtained despite a strike at St. Louis Car Division which prevented delivery of cars during the month of June."

The strike was settled July 20, and full production has now resumed, Gray said.

## Man Jailed on \$10,000 Bond in Shooting Case

John W. Clift, 51, of 944 N. Irvington, was held in Madison county jail at Edwardsville under \$10,000 bond this week on a charge of attempted murder.

The bond was set by Magistrate Blasco on Monday. Clift was charged with the shooting of James Bishop, 38, of 2128 (rear) Bryan avenue, Saturday night at the Clift apartment.

Bishop, father of seven children, was being treated at Firmin Desloge Hospital, St. Louis, for bullet wounds to the right ear, temple and chest.

## Kiwanis Discusses Natural Conservation

Color movies on wildlife conservation, rabbit hunting and duck hunting were shown Monday night at the Granite City Kiwanis Club's weekly meeting at the Rose Bowl. Marion "Buzz" Morris, chairman, presided over the 14 members present.

Discussion at the dinner affair was on the club's Aug. 21 bow race, and the sports day this fall at the Lockhaven Country Club. Alton.

For bullet wounds to the right ear, temple and chest.

## No Napping on S. Nameoki Rd., City Decides

Council members do not plan to stall improvement of the south end of Nameoki road and are gearing for an early spring call for bids.

Alderman Fry suggested Monday night that all parties involved be called into an immediate session to determine the necessary steps still needed to meet the state deadlines.

While a meeting date was not set, he called for the right-of-way appraiser and negotiator along with engineers, city and state highway officials to get the project under way.

In response to state requests, the council also reapproved the city-state agreement on Federal Aid Route 151 and adopted ordinances required by the state to close streets and alleys at the right-of-way when it becomes necessary and to prohibit the dumping of sanitary or industrial sewage in the drainage lines to be constructed for the roadway through West Granite and Lincoln Place.

Stall on Rte. 151

No date for start on the work in the city was specified by the state. Alderman Sternberg said he had talked to state highway officials and they have not yet obtained right-of-way clearance from Illinois Terminal Railroad for the overpass to be built west of the A. O. Smith Corp. plant.

It is hoped that contracts for grading south of the proposed overpass can be let in the near future.

The alley-street closing ordinance covers seven alleys and

Harding blvd., Independence drive, Cayuga, Denver, Oak and St. Louis streets.

Under the city-state agreement, the city in the future is to restrict parking in the vicinity of access roads, maintain frontage roads in the city limits and pay the electric bills for traffic signals to be installed at West 20th street and at Niedringhaus avenue.

A meeting of city-school district-park district officials is to be called in the near future to eliminate a jog in State street north of Niedringhaus school and to improve the State street-Fellington road intersection. Lighting along the street also is planned.

An ordinance is to be prepared to place stop signs temporarily along Vine blvd. through Maryville land Place while the street is being used as a detour for Maryville.

The cost under the existing contract would be \$4000. It was noted the sidewalk will be six to 10 inches above the Oakland avenue and for curbs with only six to 12 inches between the curb and sidewalk.

Replacement of a sidewalk along Vine blvd. through Maryville land Place while the street is being used as a detour for Maryville. The cost under the existing contract would be \$4000. It was noted the sidewalk will be six to 10 inches above the Oakland avenue and for curbs with only six to 12 inches between the curb and sidewalk.

## Safety Hints for Cutting Lawn with Power Mower

Tips for safe lawn cutting with power mowers were repeated this week by the Quad-City Safety Council.

With this week's advent of rain, burned out lawns—especially those that have had the benefit of some watering—are expected to grow, and the drought-caused full in lawn cutting possibly may be revived this weekend.

The Safety Council's tips are: Clear area of children and pets. Before mowing, remove hazards such as wire, sticks and stones.

Keep feet clear at all times. Wear safety shoes and shin guards.

Push—do not pull mower. Never leave running mower unattended.

Avoid running mower over irregular surfaces and over curbs, roots and pipes.

On wet grass and slopes, be extra careful of footing.

Mow steep slopes sideways. Stop, motor and disconnect sparkplug wire before servicing or unclogging.

Fill gas tank before starting—never refuel hot engine.

## Chaplain Hilton Attends Preaching Clinic in East

Capt. Richmond H. Hilton, chaplain at the Granite City Army Depot, attended a preaching clinic for military chaplains this month at the Christian Brothers Retreat House, Adamstown, Md.

It was the first preaching clinic ever held by any division of the Army. Chaplains from various parts of the U. S. participated.

## Two Cars Damaged

Cars driven by Jack Pierson, 1025 Washington street, Madison, and Mary A. Cann, 2033 Missouri avenue, collided at Eighth street and Madison avenue in Madison at 7:20 p.m. Monday, damaging the Pierson car in the front and the Cann car in the right front fender.

## Woman Sentenced

Ruby Brent, 26, of 207 Allen street, Eagle Park Acres, was sentenced to 21 days in the Madison county jail Monday in magistrate's court on a charge of driving without a license. The charge was filed May 2 by Granite City police.

## Conaway to Join Art Faculty in Wisconsin

James D. Conaway, son of Mr. and Mrs. L. W. Conaway, 2320 Sheridan avenue, will move in August from Davenport, Ia., to Stevens Point, Wis., to become assistant professor of art at Wisconsin State University. Accompanying him will be his wife, Toni, and their daughter, Kobi, two years old.

A native Granite Cityan and a graduate of Granite City high school with four years of Navy service, Conaway holds a bachelor of arts degree from Southern Illinois University and the degrees of master of arts and master of fine arts from the University of Iowa, the latter degree being received in June.

He specializes in modern art, and a group of his oil paintings and drawings will be on display July 31 to Aug. 31 in Rock Island, Ill. He has taken part in more than 10 exhibitions since 1961, winning 10 prizes.

Conaway's paintings can be found in the collections of the Davenport Municipal Art Gallery.

the Waterloo Municipal Art Gallery and the Container Corp. of America as well as in many other private and public collections.

He has had nine "one man shows" in St. Louis, Davenport, Carbondale, Clinton and Iowa City, and has exhibited in many national, regional and local juried exhibitions, including an art display in New York in 1964.

Even the cost of getting even is mighty high and is hardly ever worth the price.

### August Wedding Date is Set

Mr. and Mrs. Butler R. Dillon, 3336 Village lane, are announcing the engagement and forthcoming marriage of their daughter, Miss Dixie Lee Dillon, to Terry Gergen, a son of Mr. and Mrs. Zane Gergen, of Route One. The engagement of the couple is announced by the parents of the bride-to-be, Mr. and Mrs. Butler R. Dillon, 3336 Village lane.

Both young people are graduates of the Granite City high school and Miss Dillon is employed by a St. Louis bank. Her fiancé is an employee of McDonnell Aircraft Corp.

#### VISITING PARENTS

Mr. and Mrs. A. J. Mueller sr., 3801 Highway 111, have as their guests their son and daughter-in-law, Mr. and Mrs. E. K. Mueller and sons, Stephen, Kevin and James, of Minneapolis, Minn., and daughter, Mrs. Walter Simon, and her children, Maribeth, Eddie Ann and Garrett of Cedarvale, Colo. The families will also be guests while here of Mr. and Mrs. A. J. Mueller jr. of Lindell Blvd.

**BETROTHED.** Miss Dixie Lee Dillon, fiancée of Terry Gergen, a son of Mr. and Mrs. Zane Gergen, of Route One. The engagement of the couple is announced by the parents of the bride-to-be, Mr. and Mrs. Butler R. Dillon, 3336 Village lane.

**ENGAGED.** Miss Gloria Jane Ponce, a daughter of Mrs. Lena Ponce, 1215 Oriole street, Venice, whose betrothal to Arthur P. Fields is announced. The prospective bridegroom is a son of Mrs. Patricia Fields, 212 Abbott street, Venice.

**MISS DONNA WELBORN,** whose engagement to Pfc Ronald L. Bashelor, a son of Mr. and Mrs. Earl Bashelor of New Jersey, is announced by her parents, Mr. and Mrs. H. A. Welborn, 1420 Second street, Madison.

### Miss Welborn Is Engaged

Mr. and Mrs. H. A. Welborn, 1420 Second street, Madison, are announcing the engagement of their daughter, Miss Donna Jean Welborn, to Pfc Ronald Lee Bashelor, whose parents are Mr. and Mrs. Earl Bashelor, of North Cape May, N. J.

The bride-to-be, a graduate of Marquand-Zion high school, is employed as a clerk-typist at the Granite City Army Depot where her fiancé is stationed. They were graduated from Eastern Hills high school in Fort Worth, Texas. They will be married Sept. 16.

### Eagles Auxiliary Holds Meeting

A meeting of the Eagle Auxiliary was held Tuesday evening with Mrs. Margie Hall presiding. Plans were made to attend a district meeting in Bellevue Aug. 28 when the Eagles' kitchen band will entertain.

### LAST MAN'S CLUB ENTERTAINS WIVES

The Last Man's Club of the American Legion, Post 113, entertained the members and their wives at a six o'clock dinner this week at the Legion Home.

### VACATIONISTS RETURN FROM 710-MILE TRIP

Mr. and Mrs. Stephan Krotfel, 2608 Benton street, are at home again after a 710-mile tour of the west and northwest. They visited their son-in-law and daughter, Mr. and Mrs. Robert Musante, and their family in Los Gatos, Calif., and former Granite City neighbors, Mr. and Mrs. James Zeff, who are now living in San Jose.

Pick a Jet-smoother Chevrolet Impala with Body by Fisher comforts like door-to-door carpeting and foam-cushioned seats. Or a trip-shrinking Chevelle SS 396 or Malibu. An economical Chevy II you'll be proud to be seen in anywhere. Or an agile, sure-footed Corvair (the 500 Sport Coupe is America's lowest priced hardtop). All come with eight standard safety features for '66, including two-speed electric windshield wipers with washer. All come powered like only Chevrolet can power a car. And all you have to do to save on one in a big way is see your Chevrolet dealer.

See the man who can save you the most — your Chevrolet dealer

### Junior GA Elects Officers

An Associational Junior Girls Auxiliary election meeting was held Tuesday at First Baptist Church in Madison.

Officers for the coming year were elected. They include Ruth Ann Head, president; Diane Greer, vice-president; Cherry Sharp, secretary; Marilyn Slagter, prayer chairman; Cindy Wyatt, chorister; and Gail Yaeger, pianist. Mrs. Jean Wyatt, the Associational Junior GA director for the coming year, was also introduced.

Janet Bugg, president, was in charge and the meeting opened with a hymn, followed by the calendar of prayer by Peggy Ham, vice-president, and announcements by Mrs. Richard Kozlowski, Junior GA director.

The roll call of churches was given, and a film, "Son of a Stranger," was shown.

Refreshments were served to about 90 members. Patil Page, chairwoman, and Peggy Ham, pianist, were in charge of the music.

The anniversary was celebrated at a family dinner, and present to honor the couple were Anton Gitcher of Detroit, Mich., a brother of Mrs. Tarpoiff; Mr. and Mrs. Jim Sheeroff, cousins of Mr. Tarpoiff and the couple's three sons and their families; Mr. and Mrs. Vasil Tarpoiff and daughter, Patricia and Annette and their cousin, Kimberly Kinson; Mr. and Mrs. Jon Tarpoiff and children, Kyle, Mina Lynn and Tom; and Mr. and Mrs. Alex Tarpoiff and sons, Alex, John and Craig.

### Family Honors Tarpoiffs On Golden Anniversary

Mr. and Mrs. John Tarpoiff, 2621 Madison avenue, who have just celebrated their 50th wedding anniversary, are shown in top photo at the time of their wedding and below in a recent photograph.

Mr. Tarpoiff came to Granite City from Macedonia in 1905 and in 1915 operated a grocery and meat business. He was joined here by Mrs. Tarpoiff, the former Paraskeva Gitcher from Kestoria, Macedonia, the same year and they were married in Chicago on July 23.

In 1929 Mr. Tarpoiff founded the Tarpoiff Packing Co. and was actively engaged in the business until a few years after his sons completed military service.

Half the troubles we complain of are troubles only because we complain of them.

### Fields-Ponce Engagement

Announcement has been made of the engagement of Miss Gloria Jane Ponce, a daughter of Mrs. Lena Ponce, 1215 Oriole street, Venice, to Arthur Peter Fields, a son of Mrs. Patricia Fields, 212 Abbott street, Venice.

Both young people are graduates of Venice high school, and Mr. Fields attended Southern Illinois University. He is presently employed by the Illinois State Highway Department. Miss Ponce is a secretary employed by the U. S. Army Aviation Materiel Command in St. Louis. The wedding date has not been set.

### Hospital Group Enrolls Member

The July meeting of St. Elizabeth Hospital Auxiliary was held Monday evening at the hospital with Mrs. Irene Argelan presiding.

A new member, Mrs. Edna Cleave, was enrolled and Sister Mary Thomas, hospital administrator, explained the floor plans for the new hospital wing and also discussed the tours planned for the various organizations to acquaint them with the various departments of the hospital.

Sister Philomena, the new administrative assistant, was introduced to the Auxiliary, as was John Dreves, public relations director, who addressed the group.

After the business session, refreshments were served in the coffee shop to 30 members and a guest, Judy Modrusic, who was winner of a prize. Another prize winner was Mrs. Anita Brown.

## Nameoki Township 2 Costa Rican Girl Guides Visiting Area Girl Scouts

### Agrees on Audit And Hires Firm

The three-month controversy over the hiring of an auditor to make an audit and managerial study of Nameoki township was settled Monday night when regular meeting officials voted in regular meeting to hire one of three firms recommended by a citizens committee.

The board's action in complying with the request was voluntary, however, after Town Atty. Nick D. Vassilef ruled that a resolution passed by electors in the annual town meeting last April, demanding the board hire one of three specific auditing firms, was not legally binding upon town officials.

Michael Ropac and William Gary, representatives of the citizens group, were present at Monday night's meeting when the action was taken.

The controversy dates back to the town meeting last April when the citizens group succeeded in passing a resolution calling for a town audit which would include a complete survey of the township's managerial practices and policies and would embody recommendations for improvements.

The resolution listed three auditing firms and specified one of those firms must be hired by the board. A sum of \$1200 was appropriated to finance the audit.

**Question Legality**  
Harry Briggs, Nameoki township supervisor, and other members of the town board questioned legality of such a resolution, and agreed to go along with the committee if its legality was established. An opinion of the attorney general's office was requested.

Vassilef told the meeting Monday night that the attorney general's office refused to rule on the matter. As a result he had checked statutes and determined that the phase of the resolution instructing the town board to hire an auditor and audit town funds was within the authority of the electors attending the town meeting.

But, he said, state law does not authorize the electors to specify the auditor to be hired, nor the sum of money to be spent for the audit. He then recommended to the board that since it was the wish of the electors to name one of the three auditing firms, that the board do so.

The board, on motion of Herbert Polley, voted to hire the firm of Peat, Marwick, Mitchell & Co. of St. Louis at a price to be determined in a contract to be negotiated. Prior to Monday night's action, John Karlichek, town clerk, sent requests to 50 area auditing firms for bids on the audit. Only eight responded.

**Only One Answer**  
Of the three firms listed in the citizens' resolution, Peat, Marwick & Mitchell was the only firm to make an offer.

The board also discussed the possibility of passing an ordinance banning vending vehicles, but took no action pending a study of the township's authority to do so.

Bills totaling \$1255 in the town fund, \$423 in the special hard road fund and \$1071 in the road and bridge fund were approved. Town fund bills included payment of \$950 as the township's fee in the Southwestern Illinois Metropolitan Area Planning Commission.

Gene Rotter, township tax collector, reported to the board that tax collections during the recent collection of 1965 taxes totaled \$784,667. Of this amount, he said, \$505,722 was collected for school districts 9, 10 and 12, \$62,238 for the county, \$113,882 for the township, \$88,935 for the East Side Levee and Sanitary district, and \$14,138 for other districts.

Rotter said the total collection sets a record over any previous year. The township's total bill for the 1965 tax year was \$1,107,186.

CALL YOUR REALTOR  
MORRIS REALTY CO.

The River Bluffs Girl Scout Council is serving as hostess to two Costa Rican Girl Guides for three weeks as a part of the Girl Scout International Friendship Exchange. Mrs. Kiril Kirchoff, who is in charge of arrangements, has announced.

Every year, Girl Scouts in the United States and in foreign countries donate money saved or earned to the Juliette Low World Friendship Fund, most of which is used to bring about face to face meetings through the Girl Scout International Friendship Exchange.

The girls this year are Lilliana Maria Perez, a daughter of Mr. and Mrs. Malaquias Perez, and Maria Paulina Calve, daughter of Mr. and Mrs. Marco Antonio Calve, both of San Jose, Costa Rica.

They arrived Wednesday and were greeted by a hostess committee from the River Bluffs Council.

During their stay, the girls will reside in homes of Senior Girl Scouts and will be chaperoned to various social events by parents and members of the hostess committee.

The girls will include the opera, baseball games, television studio tours and Girl Scout receptions.

The girls will remain in the area until Aug. 17 when they will leave for their homes.

In connection with the International Friendship Exchange two Senior Scouts from the River Bluffs Council have been selected to attend Girl Scout-Girl Guide events outside the continental United States.

Miss Sue Wampler, daughter of Mr. and Mrs. N. Wampler Jr. of East St. Louis, is to attend the East-West International Conference in Honolulu beginning today and continuing through August 25.

Miss Gail Tenikat, daughter of Mr. and Mrs. Adolph Tenikat, 136 Broadway shortly before 11 a.m. Monday also took two revolvers from a cash register drawer, Venice police reported.

The robbers took \$130 from the cash register and another \$95 from Robert Grzymala, East St. Louis beer truck driver who was making a delivery at the time of the holdup.

Mrs. Mildred Harmon, store clerk, and Grzymala described both bandits as about 26 or 27 years old. One carried a small caliber pistol and the other a .45 caliber automatic, police reported.

After taking the money from the cash register and the truck driver, the two men searched drawers for more cash and found the guns in the drawer of an old cash register.

The bandits forced the clerk and truck driver to enter a rear flat on the floor. Mrs. Harmon reported she and the driver had waited about two minutes, then called police.

**Two Disturbance Charges**  
Homer W. Jones, 36, of 2510 West 24th street, and Leroy J. Smith, 25, of 2642 Lincoln avenue, were arrested at 1:30 a.m. Tuesday at West 22nd street and Missouri avenue on charges of creating a disturbance in the 2400 block of Cleveland blvd. Jones complained of chest pains and was taken to St. Elizabeth Hospital.

**Two Parking Meter Fines**  
James L. Niekirk, 28, of Alton, was fined \$10 and costs on one parking meter charge and \$5 and costs on another Tuesday morning after he failed to respond to a summons. He was arrested at 8:30 a.m. Tuesday at 26th and Iowa streets.

**Guns Also Stolen In Liquor Store Robbery in Venice**

**Vandals Damage House**  
Vandals caused damage of about \$1000 at a seven-room home under construction at 2336 Bern avenue on Sunday. It was reported to the county sheriff's office Monday afternoon by Donald Harrison, 4609 Maryville road. Blue paint was thrown and smeared on floors and cabinets.

**Loses License Plate**  
John Washenko, 2020 Meridian avenue, reported to Madison police at 10:30 a.m. Tuesday that he had lost a license plate off his car.

**Swedish Family Visits Granite City Residents**  
Mr. and Mrs. Woodrow Williams and their daughter, Kay, of 793 Old Alton road, had as recent guests the Samuelson family from Jopland, Sweden. The four members of the family were Ake Samuelson, his wife, Elizabeth, and two children, Krista and Phillipa.

Samuelson is lecturing at various colleges throughout the United States about the educational system in Sweden. He will teach mathematics this fall at the University of California. Robert Prince of Granite City joined the two families for dinner on Saturday evening.

**Conduct Charge Filed**  
Josephus J. Cook, 22, of Collinsville, was arrested at 3:45 a.m. Tuesday at East 23rd and Charles streets on a disorderly conduct charge. The complaint was signed by Jacqueline Marshall.

## Muddle over Method School Board will Pay Cost, GC to Contract for Sidewalk

The legality of such a procedure. His question was not settled.

Mayor Parney explained the walk would be on city property, and if the school district's request was not agreed to, the result could be in a later construction at city expense.

Sixth Ward Alderman Fry added that the city was getting a break in having the school district pay the cost. He pointed out there would be considerable excavation to put in the sidewalk at grade level.

The letter from School Supt. Russell D. Johnson urged that the city give immediate attention to the request since the new school, which is on Maryville road, will be open for the fall term that starts next month.

**1500 Illinois Vets In Summer Classes**  
More than 30,000 Post-Korean veterans—1500 of them in Illinois—are attending summer school under the new GI Bill.

More than 200,000 have applied for certificates of eligibility to permit enrollment, indicating a tremendous influx of veterans into the nation's schools in September.

Upwards of 135,000 veterans have sought certificates of eligibility for home loans and 42,000 have actually filed loan applications.

Such is the impact of the newly enacted GI Bill, as revealed from several VA sources today.

VA's Data Processing Center at Hines, Ill., announced that as of July 22 it had processed awards for 29,913 veterans who are already in school. Under the law, veterans must attend school before a VA check can be issued.

First payments began July 20, according to James C. Chestnut, manager of the Center.

John B. Naser, manager of the VA Regional Office for Illinois, stated that more than 9000 veterans in this state have applied for certificates necessary to let them enter school. Of these 1500 have returned certificates of actual attendance.

In Illinois, another 6000 veterans have applied for certificates of eligibility to buy homes under the new Bill. Actual loan applications have exceeded 1200, Naser said.

## Demos to Meet Aug. 15 To Nominate Treasurer

The Madison County Democratic Central Committee will hold a special convention on Aug. 15 to fill a vacancy on the party's ballot for county treasurer at the November general election.

The vacancy was caused by the death of Stephen B. Kennedy of Alton, who died June 30 of a heart attack after edging John Maeras of Madison in the June primary election.

Maeras is expected to win the nomination at the convention with the support of most of the county's 184 Democratic precinct

## Scholastic Honors

Mrs. Jean Johnson, daughter of Mr. and Mrs. Elmo Hinson, 1538 Cottage avenue, has been named to the Dean's list at Illinois Wesleyan University for the second semester. Recognition is given to students whose grade-point average is 3.25 or higher in relation to a 4.0 maximum index.

committeemen and with the support of the Venice township organization which retained control of the county committee at the last convention in June.

Dan McGee, former county treasurer, has been regarded as a possible aspirant for the candidacy by some party members. The convention was called by Walter "Buck" Simmons of Venice, county chairman.

## GC Rotary Horse Show Promising Success

With more than \$5000 already raised, the Granite City Rotary Club's sixth all-western horse show will be held exactly one month from today.

Proceeds from the annual spectacle will be used by the club to purchase a brave wave machine, the electroencephalograph, to be donated to St. Elizabeth Hospital. This electrical machine is designed to record brain waves to give an accurate picture of any brain disease or damage.

Edward Meng, publicity chairman, said that tickets may be bought from all Granite City Rotarians, members of the In-

### One of Finest in U. S.

To be represented from some of the most highly regarded mid-western state stables is one of the finest bred horses in America—the Appaloosa.

The Nez Perce, a Northwest Pacific Indian tribe, was the first master of the Appaloosa. Known throughout their territory as the wisest horsemen of the north-west, the Nez Perces sorted and culled their horses, as the poorer ones were traded off or used as pack horses, while the gentle

horses for war and for the chase. But the Nez Perce horses were painted by nature with a curious pattern of spots in clayed red or jet-black. Some spots were rounded like polka dots, some irregular as leaves, and some elongated like footprints.

After the 1849 goldrush on the Pacific coast, the Nez Perce Indians were eventually driven from their homelands by settlers and white soldiers. Wandering continuously through the Rocky Mountain regions, the tribe surrendered itself to the reservation. Their surviving horses were taken away and sold until they became an almost forgotten breed.

In 1937 Francis Haines, a student in Idaho, researched the history of the Appaloosa horses.

tracing them back 20 centuries to China and Persia. Through the spotted horses, once again they were traced, culled and bred—only the best to the best. Today the almost lost breed is 1400 strong. They are no longer buffalo runners, but rather range and mountain hideouts for the horses of the cattle country.

Other tribes painted their horses for war and for the chase. But the Nez Perce horses were painted by nature with a curious pattern of spots in clayed red or jet-black. Some spots were rounded like polka dots, some irregular as leaves, and some elongated like footprints.

In 1937 Francis Haines, a student in Idaho, researched the history of the Appaloosa horses.
